REF : ACCIÓN DE TUTELA N° 068 - 2023
DE : ROMAN RICARDO RODRIGUEZ VALERO C.C. No. 1.075.624.360
CONTRA : ICFES, POLICIA NACIONAL DE COLOMBIA

Por medio del presente me permito NOTIFICARLE que este Juzgado mediante providencia de la fecha catorce (14) de febrero de 2023, dispuso:

“En atención al informe rendido por Secretaría. En aras de garantizar los derechos fundamentales de las partes, el debido proceso, el derecho de defensa y contradicción, el Despacho dispone integrar el contradictorio vinculando a las Personas Naturales Indeterminadas que participaron en la Convocatoria para el concurso de Patrulleros previo el curso de capacitación para el ingreso al grado de Subteniente, a través del contrato interadministrativo suscrito entre la Policía Nacional y el Icfes PN DINA E No. 80-5-10059-22 cuyo fin es la construcción, diagramación, aplicación, calificación, publicación de resultados y atención a la Directiva Administrativa Transitoria 024 DIPON-DITAH del 4 de mayo de 2022 Convocatoria para el concurso de patrulleros 2022, previo al curso de capacitación para el ingreso al grado de subteniente. En consecuencia se ordena al ICFES y a la POLICIA NACIONAL publicar la existencia de la presente acción constitucional en la página web de la entidad a fin de que los interesados se pronuncien si lo consideran pertinente.

Por ser procedente de conformidad con lo dispuesto en el Decreto 2591 del 19 de Noviembre de 1.991, dispone darle el trámite legal que le corresponde. En consecuencia, el Despacho dispone:

PRIMERO: RECONOCER PERSONERIA a la Dra. MAITE CAROLINA BELTRAN ECHEVERRY, identificada con C.C. No. 52.772.045 y T.P. No. 299019 del C.S. de la J como apoderada judicial del señor **EDUARDO ARIAS BARON**, identificado con **C.C. No. 1.121.887.568** conforme a las facultades a ella otorgadas.

SEGUNDO: ADMITIR la presente acción de tutela, por el señor **ROMAN RICARDO RODRIGUEZ VALERO**, identificado con **C.C. No. 1.075.624.360** quien actúa a través de

apoderada judicial en la presente acción, contra **INSTITUTO COLOMBIANO PARA EL FOMENTO A LA EDUCACIÓN SUPERIOR – ICFES Y POLICIA NACIONAL DE COLOMBIA**

TERCERO: VINCULAR a los interesados para que se pronuncien si lo consideran pertinente, a las personas Naturales Indeterminadas que participaron en la Convocatoria a través de la Directiva Administrativa Transitoria 024 DIPON-DITAH del 4 de mayo de 2022 Convocatoria para el concurso de patrulleros 2022, previo al curso de capacitación para el ingreso al grado de subteniente.

CUARTO: SE ORDENA AL INSTITUTO COLOMBIANO PARA EL FOMENTO A LA EDUCACIÓN SUPERIOR – ICFES Y A LA POLICIA NACIONAL DE COLOMBIA publicar la existencia de la presente acción constitucional a fin de que los interesados se pronuncien si lo consideran pertinente, a las Personas Naturales Indeterminadas que participaron en la convocatoria Directiva Administrativa Transitoria 024 DIPON-DITAH del 4 de mayo de 2022 Convocatoria para el concurso de patrulleros 2022, previo al curso de capacitación para el ingreso al grado de subteniente, concediéndoles el término de **UN (1) DIA para que adelanten los trámites administrativos necesarios para dar cumplimiento a lo ordenado** y remitir a este Despacho la constancia de la gestión realizada.

QUINTO: Con la finalidad de establecer la verdad real de los hechos aducidos en la presente acción se dispone librar oficio a las accionadas, para que se pronuncien respecto de los hechos de la presente acción.

Se debe advertir que la presente información se requiere a fin de resolver una tutela, por lo que se concede un término de **UN (1) DÍA** para contestar lo aquí solicitado y que en caso de incumplimiento se incurrirá en las responsabilidades que por ley correspondan.

Cumplido lo anterior vuelva el proceso al Despacho para resolver de fondo.”

Atentamente,

MAGDALENA DUQUE GOMEZ
Secretaria

Señor(a)
JUEZ DE LA REPUBLICA - (Reparto)
Bogotá D.C

ASUNTO: ACCIÓN CONSTITUCIONAL DE TUTELA.

ACCIONANTE: ROMAN RICARDO RODRIGUEZ VALERO

**ACCIONADAS: INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA
EDUCACIÓN – ICFES
POLICIA NACIONAL DE COLOMBIA**

MAITE CAROLINA BELTRAN ECHEVERRY, mayor de edad, identificada con la cedula de ciudadanía No. 52.772.045 expedida en Bogotá y portadora de la Tarjeta Profesional No. 299019, del Consejo Superior de la Judicatura, obrando como apoderada judicial del señor **ROMAN RICARDO RODRIGUEZ VALERO** identificado con C.C 1.075.624.360 de Bogotá, mayor de edad, acudo a usted con el fin de presentar escrito que sustenta la presente **ACCION DE TUTELA**, en virtud de los siguientes.

HECHOS

PRIMERO: El señor **ROMAN RICARDO RODRIGUEZ VALERO**, se encuentra adscrito a la **POLICIA NACIONAL DE COLOMBIA** desde el 04 de mayo de 2009, desempeñando el cargo de **PATRULLERO**, con la finalidad de avanzar su carrera para ascender a los grados superiores, en cumplimiento a la política de seguridad humana.

SEGUNDO: El día 4 mayo de 2022 se publicó en la página oficial del **ICFES** la convocatoria para el concurso de patrulleros 2022, previo al curso de capacitación para el ingreso al grado de SUBINTENDENTE; en el cual el señor **ROMAN RICARDO RODRIGUEZ VALERO**, se presentó en la hora y fecha designada para presentar la prueba psicotécnica y de conocimientos policiales.

TERCERO: El día 19 de noviembre de 2022, la página oficial del **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES**, publico los resultados en un formato PDF de título “**INFORMACIÓN PUBLICA CLASIFICADA RESULTADOS DEL CONCURSO DE PATRULLEROS PREVIO AL CURSO DE CAPACITACIÓN PARA INGRESO AL GRADO DE SUBINTENDENTE 2022-2**” donde los resultados del señor Román se ubicaron en el puesto **4956**.

CUARTO: Aunado a lo anterior, la **POLICIA NACIONAL** emite un comunicado oficial de fecha 19 de noviembre de 2022 donde informa que, de acuerdo a la partida presupuestal designada por el Gobierno Nacional, con base en la solicitud del Director General de la Policía Nacional a través del Ministerio de Hacienda, fueron autorizados **10.000 cupos** para los patrulleros que aprobaron las pruebas de acuerdo a su puntaje, así las cosas, se logra evidenciar que el PT ROMAN entraba dentro de los cupos para optar al ascenso a grado de SUBINTENDENTE.

QUINTO: El día 16 de diciembre de 2022, la **POLICIA NACIONAL**, emitió un comunicado a través de sus redes sociales, donde informó que el día 14 de diciembre de 2022 el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN (ICFES)**, contratado para realizar las pruebas del concurso previo al curso de subintendente del personal de patrulleros, informó a la Policía Nacional que los resultados emitidos el día 19 de noviembre de 2022, debían ser actualizados, teniendo en cuenta que se había

presentado una falla técnica al momento de generar el ordenamiento de datos, por lo tanto, se realizaría acciones para subsanar dicha falla y publicar los resultados actualizados en la página oficial del ICFES, respetando los principios de celeridad, imparcialidad y publicidad.

SEXTO: Durante el día 16 de diciembre de 2022, el ICFES en una nueva publicación por medio de su página oficial subió el listado actualizado con el mismo nombre **“INFORMACIÓN PUBLICA CLASIFICADA RESULTADOS DEL CONCURSO DE PATRULLEROS PREVIO AL CURSO DE CAPACITACIÓN PARA INGRESO AL GRADO DE SUBINTENDENTE 2022-2”**, resultados que cambiaron de manera notable los porcentajes de calificación del señor **ROMAN RICARDO RODRIGUEZ VALERO**, pasando del puesto 4956 al puesto 10360, quedando por fuera de los 10.000 cupos asignados para realizar el curso previo al grado de subintendente de la **POLICIA NACIONAL**.

SEPTIMO: El día 19 de diciembre de 2022, el PT **ROMAN RICARDO RODRIGUEZ VALERO**, radicó Derecho de Petición al **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES**, donde solicitó a dicha entidad que fundamentara, soportara y explicara de forma detallada todos y cada uno de los pasos y protocolos de aplicación utilizados en la revisión de su prueba, de igual forma que explicaran el error que se había presentado al momento de realizar la calificación de la misma, puesto que no era claro, ya que los resultados habían cambiado de forma considerable su puntuación.

OCTAVO: El día 26 de diciembre de 2022 el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES**, envió la respuesta bajo el número de radicado 240203, al Derecho de Petición incoado por el señor **ROMAN**, sin embargo, en la respuesta informan toda la logística, proceso de calificación, protocolos entre otras generalidades que se llevaron a cabo para la realización de la prueba, una explicación, que si bien fue amplia lo que la haría parecer suficientemente descriptiva y específica, en realidad fue evasiva, ambigua y en términos confusos que finalmente no dejan claro cuál fue el error que se presentó en la prueba del señor **ROMAN** pues es claro que él siempre se refirió a su prueba concreta y no a las generalidades de la organización y evaluación del concurso, es decir que la petición realizada, no se respondió de fondo, con claridad, precisión y de modo congruente, inquietud que fue elevada en ejercicio de una garantía fundamental.

NOVENO: Desde el momento en que el señor PT **ROMAN RICARDO RODRIGUEZ VALERO** presentó la prueba escrita el día 25 de septiembre de 2022 hasta el momento de la publicación de las mismas, pasaron dos meses para emitir el resultado los cuales fueron favorables, después de la fecha de publicación de resultados el día 19 de noviembre de 2022 a la fecha en que le notifican los nuevos resultados 16 de diciembre 2022 pasaron 28 días, sin que la entidad se diera cuenta del error el cual es de una magnitud enorme, puesto que se evidencia que no se tuvo una debida planeación al momento de realizar la calificación de las pruebas, escenario que llevó a que se vulnerara el principio del debido proceso en el concurso de patrulleros, es decir la regla que se plantea en la etapa de la planeación se modifica en la etapa del hacer; al momento de calificar y verificar los escenarios de calificación vulnerando los principios de mérito, libre concurrencia e igualdad, publicidad, transparencia, especialización de los órganos técnicos, garantías de imparcialidad de los órganos técnicos, confiabilidad y validez de los instrumentos utilizados para verificar la capacidad y competencias de los aspirantes, eficacia en el proceso y eficiencia.

DECIMO: El señor PT **ROMAN RICARDO RODRIGUEZ VALERO** se ha preparado arduamente durante años para aprobar los exámenes, con el fin de ascender al cargo de subintendente, situación que se vio opacada pues después de publicar dos veces los

ASESORIAS JURIDICAS

Maite Beltrán - Abogada

resultados debido a la falla técnica en el cargue y procesamiento de una de las variables relacionadas con el ordenamiento de estos resultados, como han asegurado, afectó el orden de los resultados de la prueba, estableciendo un nuevo periodo de reclamaciones entre las fechas 19 y 23 de diciembre de 2022, no obstante, al presentarse una falla en este proceso de calificación, no solo ha causado irresponsablemente un perjuicio irremediable, sino que vulneró el debido proceso, el acceso a los cargos públicos en conexidad con el Derecho al trabajo, así como los principios de confianza legítima, buena fe, respeto al mérito y seguridad jurídica con el fin de evitar un perjuicio irreparable como se presentó en este caso, por lo tanto, el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL** en pro de garantizar y salvaguardar cada uno de los Derechos de los patrulleros, debió repetir la prueba, situación que no se llevó a cabo, pues no se podía volver a confiar en la subsanación de esta sin pensar que nuevamente se presente el mismo error, ahora el ICFES no brindó de forma detallada, clara y congruente cómo desarrollo la nueva calificación de las pruebas, petición que a la fecha no es clara y se ha limitado a reiterar que se trató de “una falla técnica generalizada”, respuesta que no deja de generar dudas en la transparencia en los resultados de la evaluación pero que deja claro el perjuicio generado no sólo a mi poderdante sino al parecer a muchos otros patrulleros que con emoción aspiraban a mejorar su calidad de vida y la de sus familias, tal como lo ha mencionado el señor **ROMAN**.

PRETENSIONES

En virtud a los hechos expuestos, solicito al (a) honorable señor(a) juez disponga la protección de los derechos fundamentales del señor **ROMAN RICARDO RODRIGUEZ VALERO** en cuanto a:

PRIMERO: TUTELAR a favor de mi representado los derechos constitucionales al debido proceso, libertad y acceso a la información, dignidad humana, igualdad, derecho al trabajo, acceso a cargos públicos por concurso de méritos.

SEGUNDO: Sírvase señor (a) Juez, ordenar al **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL** dar respuesta completa y de fondo a las peticiones y solicitudes realizadas por mi representado, de manera oportuna y de fondo, con claridad, precisión y de modo congruente, veracidad y argumentación válida, clara y legal.

TERCERO: Sírvase señor (a) Juez, ordenar al **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL**, mantener como único resultado legal y vigente del concurso de patrulleros el publicado en la fecha 19 de noviembre de 2022, en la página oficial del ICFES, donde mi poderdante ocupó el puesto 4956 quedando dentro de los 10.000 cupos que ascendería al grado de subintendente.

CUARTO: De no acceder a la pretensión tercera, sírvase señor (a) Juez a dejar sin valor y efecto la prueba realizada, ordenando al **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL**, realizar nuevamente la prueba para el concurso de patrulleros previo al curso de capacitación para el ingreso al grado de subintendente 2022-2, con el fin de garantizar la transparencia del concurso y sus resultados.

FUNDAMENTOS DE DERECHO

Derecho de petición: Consagrado en el artículo 23 de la C.P y regulado por la ley 1755 de 2015, se ha visto trasgredido en el actuar deliberado por el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL** cuando mi poderdante ha realizado la solicitud escrita mediante derecho de petición el cual no se contestó de fondo, con claridad, precisión y de modo congruente vulnerando el derecho del señor **ROMAN RICARDO RODRIGUEZ VALERO**.

ASESORIAS JURIDICAS

Maite Beltrán - Abogada

De igual forma estimo que se violó el derecho al debido proceso artículo 29 C.C y al acceso a cargos públicos en conexidad con el derecho fundamental al trabajo, consagrado en los artículos 25 de la Constitución Política de Colombia de 1991. Del Debido Proceso. El debido proceso se encuentra desarrollado en el artículo 29 de la Constitución Política de 1991, así:

“El debido proceso se aplicará a toda clase de actuaciones judiciales y administrativas. Nadie podrá ser juzgado sino conforme a leyes preexistentes al acto que se le imputa, ante juez o tribunal competente y con observancia de la plenitud de las formas propias de cada juicio. En materia penal, la ley permisiva o favorable, aun cuando sea posterior, se aplicará de preferencia a la restrictiva o desfavorable. Toda persona se presume inocente mientras no se la haya declarado judicialmente culpable. Quien sea sindicado tiene derecho a la defensa y a la asistencia de un abogado escogido por él, o de oficio, durante la investigación y el juzgamiento; a un debido proceso público sin dilaciones injustificadas; a presentar pruebas y a controvertir las que se alleguen en su contra; a impugnar la sentencia condenatoria, y a no ser juzgado dos veces por el mismo hecho.” (Subrayado fuera de texto para destacar)

De lo anterior, se desprende que el debido proceso ostenta la calidad de derecho fundamental y además como un principio informador de todas las actuaciones que se desplieguen tanto en sede administrativa como en sede judicial, es decir, es forzosa su observancia, so pena que las actuaciones estén en contra vía de la norma constitucional. Aunado a ello, se debe garantizar entre otros, los derechos procesales de las partes en todas las actuaciones judiciales y administrativas, el derecho a la igualdad y equidad, tal como está contemplado en el artículo 13 de la Constitución Política, de manera que ninguna autoridad administrativa o judicial, sea el caso, puede saltarse las reglas propias de su competencia o actuaciones y todas las autoridades deben apreciar conforme al mandato legal dentro de su ámbito de competencia, cosa que no ocurre en el presente caso, lo que comporta mantener la garantía de su efectivo equilibrio y congruencia en el actuar de la administración, de manera que un acto procesal se considera válido cuando no causa menoscabo a tales derechos fundamentales, pilar del debido proceso.

“El concurso público se constituye en la herramienta de garantía por excelencia para que el mérito de los aspirantes que pretenden acceder a un cargo de la función pública, predomine ante cualquier otra determinación. Este concurso despliega un proceso en el cual se evalúan las calidades de cada uno de los candidatos bajo condiciones de igualdad, de manera tal, que se excluyan nombramientos “arbitrarios o clientelistas o, en general, fundados en intereses particulares distintos de los auténticos intereses públicos.”

El concurso público es entonces un procedimiento mediante el cual se certifica que la selección de los aspirantes para ocupar cargos públicos se funde en la “evaluación y en la determinación de la capacidad e idoneidad de éstos para desempeñar las funciones y asumir las responsabilidades propias de un cargo”, de tal manera que “se impide la arbitrariedad del nominador” y de este modo se imposibilita el hecho de que “en lugar del mérito, se favorezca criterios subjetivos e irrazonables, tales como la filiación política del aspirante, su lugar de origen (...), motivos ocultos, preferencias personales, animadversión o criterios tales como el sexo, la raza, el origen nacional o familiar, la lengua, la religión, o la opinión pública o filosófica, para descalificar al aspirante.”

En los procesos de selección se definen las reglas del concurso, las cuales deben aplicarse de manera rigurosa, para evitar arbitrariedades o subjetivismos que alteren la igualdad o que vayan en contravía de los procedimientos que de manera general se han fijado en orden a satisfacer los objetivos del concurso. De este modo, el concurso se desenvuelve como un trámite estrictamente reglado, que impone precisos límites al **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN – ICFES y la POLICIA NACIONAL** imponiéndole unas cargas administrativas y normativas para garantizar la meritocracia y el objetivismo del proceso de selección; toda vez, que la

convocatoria contiene las reglas sobre las cuales se desarrollan todas las etapas del concurso, estas deben ser de estricto cumplimiento, tanto como para la administración pública como para los participantes inscritos, en aras de garantizar efectivamente la igualdad de todos los concursantes.

La procedencia excepcional de la acción de tutela contra determinaciones adoptadas en los procesos de selección de cargos públicos, Sobre este tema en sentencia T-180 de 2015, la Corte Constitucional reiteró su posición en el sentido de señalar que en algunos casos y pese a existir otro medio de defensa, este se torna en ineficaz, emergiendo la acción de amparo como mecanismo excepcional de defensa de los derechos fundamentales de las personas participan en un proceso de selección de personal público. En esa oportunidad se dijo:

“El artículo 86 constitucional consagró la acción de tutela como un mecanismo residual para la protección de derechos, dado que su procedencia está supeditada a que el afectado carezca de otro medio de defensa judicial[2], salvo que se utilice como mecanismo transitorio para evitar un perjuicio irremediable[3]. El carácter subsidiario de la acción de tutela impone al interesado la obligación de desplegar todo su actuar dirigido a poner en marcha los medios ordinarios para la protección de sus derechos fundamentales. Este imperativo constitucional pone de relieve que, para solicitar el amparo de un derecho fundamental, el peticionario debe haber actuado con diligencia en los procesos y procedimientos ordinarios, pero también que la falta injustificada de agotamiento de los recursos legales deviene en la improcedencia de la acción de tutela. En este sentido, la Corte Constitucional ha señalado que el juez debe analizar, en cada caso concreto, si los otros mecanismos judiciales disponibles permiten ejercer la defensa de los derechos constitucionales fundamentales de los individuos, logrando su protección efectiva e integral [4]. Ahora bien, en lo que se refiere a las decisiones que se adoptan dentro de un concurso de méritos, esta Corporación ha sostenido que si bien los afectados pueden acudir a las acciones señaladas en el Estatuto Procesal Administrativo para controvertirlas, en algunos casos las vías ordinarias no resultan idóneas y eficaces[5] para restaurar los derechos fundamentales conculcados, ya que no suponen un remedio pronto e integral para los aspirantes[6] y la mayoría de veces debido a la congestión del aparato jurisdiccional, el agotamiento de las mismas implica la prolongación de la vulneración en el tiempo [7]. Sobre el particular, en la Sentencia SU-913 de 2009 se determinó que: “en materia de concursos de méritos para la provisión de cargos de carrera se ha comprobado que para excluir a la tutela en estos casos, el medio judicial debe ser eficaz y conducente, pues se trata nada menos que de la defensa y realización de derechos fundamentales, ya que no tendría objeto alguno enervar el mecanismo de tutela para sustituirlo por un instrumento previsto en el ordenamiento legal que no garantice la supremacía de la Constitución en el caso particular”.

Entonces, en ciertas circunstancias los mecanismos judiciales de defensa existentes en el ordenamiento jurídico para impugnar las decisiones adoptadas dentro de un trámite de concurso de méritos, debido a su complejidad y duración, carecen de idoneidad y eficacia para proteger los derechos fundamentales al acceso a la función pública y al trabajo. La Corte ha resaltado que la provisión de empleos a través de concurso busca la satisfacción de los fines del Estado y garantiza el derecho fundamental de acceso a la función pública. Por ello, la elección oportuna del concursante que reúne las calidades y el mérito asegura el buen servicio administrativo y requiere de decisiones rápidas respecto de las controversias que surjan entre los participantes y la entidad.

JURAMENTO

CUMPLIMIENTO AL ARTÍCULO 37 DE DECRETO 2591/91: JURAMENTO Manifiesto bajo la gravedad del juramento que no se ha presentado ninguna otra acción de tutela por los mismos hechos y derechos.

PRUEBAS

Solicito se tengan como medios de prueba las siguientes:

1. Derecho de petición de fecha 19 de diciembre de 2022 incoado por el señor **ROMAN RICARDO RODRIGUEZ VALERO** el cual fue radicado ante el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN ICFES**.
2. Respuesta de fecha 26 de diciembre, emitida por el **INSTITUTO COLOMBIANO PARA LA EVALUACIÓN DE LA EDUCACIÓN ICFES**, en el que se puede evidenciar que no se abarco las peticiones realizadas por mi poderdante, emitiendo una respuesta amplia pero que no tiene claridad, precisión o modo congruente.
3. Resultados de fecha 19 de noviembre de 2022 publicados por la página oficial del **ICFES** en documento en PDF de título **"INFORMACIÓN PUBLICA CLASIFICADA RESULTADOS DEL CONCURSO DE PATRULLEROS PREVIO AL CURSO DE CAPACITACIÓN PARA INGRESO AL GRADO DE SUBINTENDENTE 2022-2"**
4. Comunicado oficial de fecha 19 de noviembre de 2022 emitido por la **POLICIA NACIONAL DE COLOMBIA**, aprobando los 10.000 cupos para el grado de subintendente.
5. Comunicado oficial de fecha 16 de diciembre de 2022 emitido por la **POLICIA NACIONAL DE COLOMBIA**, donde manifiesta que el error que se generó al momento de realizar la calificación de las pruebas del concurso de patrulleros.
6. Resultados de fecha 16 de diciembre de 2022 publicados por la página oficial del **ICFES** en documento en PDF de título **"INFORMACIÓN PUBLICA CLASIFICADA RESULTADOS DEL CONCURSO DE PATRULLEROS PREVIO AL CURSO DE CAPACITACIÓN PARA INGRESO AL GRADO DE SUBINTENDENTE 2022-2"**
7. Certificado laboral de fecha 8 de febrero de 2023, emitido por la **POLICIA NACIONAL DE COLOMBIA**, donde se evidencia el tiempo de servicio del **PT ROMAN RICARDO RODRIGUEZ VALERO**.
8. Hoja de vida de fecha 8 de febrero de 2023 del **PT ROMAN RICARDO RODRIGUEZ VALERO**, en el cual se evidencia la preparación que ha tenido durante años para desempeñar el grado de subintendente y el merito a sus múltiples logros y condecoraciones.

ANEXOS

1. Poder otorgado por el señor **ROMAN RICARDO RODRIGUEZ VALERO**, para que la suscrita abogada lo represente en esta acción de TUTELA.

T.P. No. 299.019 del C.S.J

Bogotá D.C. 19 de diciembre de 2022

Señores

Instituto Colombiano para la Evaluación de la Educación ICFES
Bogotá D.C.

Asunto: DERECHO DE PETICIÓN

Yo, Román Ricardo Rodríguez Valero, mayor de edad, identificado con la cédula de ciudadanía número 1075624360, domiciliado en la Calle 34A Sur#97f-41 conjunto residencial Quintas de Tierra Buena etapa 1 casa 188, a través del presente documento con fundamento en el artículo 23 de la Constitución Política de Colombia, ley 1755 del 2015 y la ley 2207 de 2022, instauro ante ustedes el presente Derecho de Petición, con soporte en los siguientes

HECHOS

1. La Policía Nacional y el Icfes suscribieron el Contrato Interadministrativo PN DINA E No. 80-5-10059-22 cuyo fin es la “construcción, diagramación, aplicación, calificación, publicación de resultados y atención de reclamaciones de las pruebas psicotécnica y de Conocimientos Policiales para el concurso de Patrulleros previo al curso de capacitación para ingreso al grado de Subintendente”. El concurso previo al curso de capacitación para ingreso al grado de Subintendente está conformado por dos componentes: **Primer componente:** La prueba escrita, conformada por dos pruebas: 1. Prueba psicotécnica. 2. Prueba de Conocimientos Policiales. **Segundo componente:** El puntaje por tiempo de servicio como patrulleros (antigüedad). La prueba escrita será aplicada por el Icfes, de acuerdo con el perfil del Subintendente suministrado por la Dirección de Incorporación de la Policía Nacional.

El primer objetivo que tiene la prueba escrita es evaluar a los Patrulleros que son candidatos para ser admitidos al curso de capacitación para ingreso al grado de Subintendente. Para ello, se estableció la aplicación de dos pruebas, cuyo segundo objetivo es aportar información para identificar aquellos candidatos cuyas aptitudes y competencias se aproximan, en mayor medida, al perfil establecido para el grado de Subintendente, suministrado por la Policía Nacional.

2. Conforme al cronograma establecido y obedeciendo a información oficial publicada en la página oficial del Icfes <https://www2.icfes.gov.co/policia-nacional> como en la Directiva Administrativa Transitoria 024 DIPON-DITAH del 04 de mayo de 2022 “CONVOCATORIA PARA EL CONCURSO DE PATRULLEROS 2022. PREVIO AL CURSO DE CAPACITACION PARA EL INGRESO AL GRADO DE SUBINTENDENTE”; me presenté en la fecha y hora establecida para la realización de dicha prueba siguiendo todos y cada uno de los protocolos exigidos

para la misma, y consulté los resultados oficialmente publicados por el Icfes de acuerdo al siguiente cronograma:

ANEXO 3 DE LA DIRECTIVA ADMINISTRATIVA TRANSITORIA No. 024 / DEL 04 MAR. 2022 / "CONVOCATORIA PARA EL CONCURSO DE PATRULLEROS 2022, PREVIO AL CURSO DE CAPACITACIÓN PARA EL INGRESO AL GRADO DE SUBINTENDENTE".

Dirección General

Noviembre 19 de 2022

COMUNICADO

La Dirección General de la Policía Nacional se permite informar:

1. El día de hoy el Instituto Colombiano para la Evaluación de la Educación (ICFES), entidad encargada de las pruebas del concurso previo al ingreso al grado de subintendente, realizado por 40.859 patrulleros el mes de septiembre, publicó los resultados de este proceso, como uno de los requisitos para ascender a este grado dentro del escalafón que les permitirá ser mandos del Nivel Ejecutivo.
2. El único canal oficial de publicación de los resultados es a través de la página web www.icfes.gov.co. Ningún otro medio de mensajería instantánea o correo electrónico será empleado para la correspondiente notificación por parte del concursante.
3. En este sentido, de acuerdo con los resultados y la partida presupuestal designada por el Gobierno nacional, con base en la solicitud del director general de la Policía Nacional a través del Ministerio de Hacienda, fueron autorizados 10.000 cupos para los patrulleros que aprobaron estas pruebas de acuerdo a su puntaje, en cumplimiento del párrafo 4 del artículo 21 del decreto 1791 de 2000.
4. Esta decisión reitera la voluntad del Gobierno y la Policía Nacional de fortalecer su talento humano, la profesionalización, el bienestar del policía y de las 10.000 familias beneficiadas de estos uniformados, que iniciarán el curso de ascenso al grado de subintendente, lo que les permitirá continuar avanzando en su carrera y escalando hasta los grados superiores, en cumplimiento a la política de seguridad humana.

'DIOS Y PATRIA ES UN HONOR SER POLICÍA'

BOLETÍN DE PRENSA

/PoliciaNacionaldeColombianos
/policiaecolombia
@policiaecolombia

<https://twitter.com/PoliciaColombia/status/1594006667661828106/photo/1>

En el punto 4 del comunicado se informa que “Esta decisión reitera la voluntad del Gobierno y la Policía Nacional de fortalecer su talento humano, la profesionalización, el bienestar del policía y de las 10.000 familias beneficiadas de estos uniformados, que iniciarán el curso de ascenso al grado de Subintendente, lo que les permitirá continuar avanzando en su carrera y escalando hasta los grados superiores, en cumplimiento a la política de seguridad humana”, comunicado que adopté como una notificación de carácter oficial al lado de mis seres queridos, compañeros de trabajo, amigos y personas cercanas a mi círculo social, pues mis resultados me ubicaron dentro de los beneficiados de los que habla el gobierno nacional y su política.

5. Durante las semanas siguientes me dediqué a disfrutar de tan maravillosa y excelente notificación oficial que tenía todo el respaldo del Gobierno Nacional y de sus Ministerios, incluyendo el Ministerio de Educación al cual pertenece la entidad autónoma Icfes, además de gozar con una reputación y reconocimientos meritorios a su labor en la realización de los exámenes con los rigores que dicho proceso amerita. Junto a mi familia, compañeros de trabajo y amigos, planificamos muchas situaciones dentro de las cuales incurrimos en gastos particulares como celebraciones, festejos, regalos, al igual que la mayoría de los 10.000 patrulleros que nos encontrábamos en dicha lista oficial, además organicé todas las complejas situaciones familiares y personales en torno a lo que implica la realización del curso de ascenso al grado de subintendente de manera virtual o presencial.
6. Sin embargo, el día 16 de diciembre de 2022, la Policía Nacional emitió el siguiente comunicado a través de sus redes sociales, pero siempre tuve la certeza de que mis resultados no cambiarían, pues me preparé arduamente durante muchos años para superar éste examen y estaba seguro de mis calificaciones:

MINISTERIO DE DEFENSA NACIONAL
POLICÍA NACIONAL
 Oficina de Comunicaciones Estratégicas
 Dirección General

Diciembre 16 de 2022

COMUNICADO

La Dirección General de la Policía Nacional se permite informar:

1. El 14 de diciembre de 2022 el Instituto Colombiano para la Evaluación de la Educación (ICFES), contratado para el desarrollo de las pruebas del concurso previo al curso de subintendente del personal de patrulleros, informó a la Policía Nacional que los resultados publicados el 19 de noviembre de 2022 por esa entidad deben ser actualizados, en virtud de que los mismos presentaron una falla técnica al momento de generar el ordenamiento de datos.
2. Conocida la novedad, la Dirección de Talento Humano de la Policía Nacional adelantó una reunión de carácter urgente con el ICFES a fin de verificar los pormenores de la falla en los resultados publicados y las implicaciones para el personal que presentó la prueba.
3. Por lo tanto, luego de las acciones adelantadas por el ICFES para subsanar esta falla técnica, la entidad indicó que en el transcurso de hoy 16 de diciembre de 2022 se publicarán los resultados actualizados en la página oficial www.icfes.gov.co.
4. La Policía Nacional de Colombia estará atenta de que este proceso cumpla los requisitos exigidos al ICFES, de manera que los resultados publicados sean los correctos y obedezcan a los principios de celeridad, imparcialidad y publicidad.

Igualmente, se solicita al ICFES, que se atiendan de manera oportuna las reclamaciones, peticiones, requerimientos y quejas del personal uniformado que participó en el concurso en relación con la publicación de los resultados, de acuerdo al cronograma establecido.

www.ario.com.co CAPACITACIÓN CONCURSO ASCENSO A SUBINTENDENTE

7. El Icfes también se manifestó al respecto el día 16 de diciembre de 2022, enviando el mismo comunicado a través de su página oficial, y aclarando que debido a la verificación del proceso encontraron una falla técnica en el cargue y procesamiento de una de las variables relacionadas con el ordenamiento de estos resultados que afectó el orden del resultado de las pruebas que ya habían sido publicadas, estableciendo un nuevo período de reclamaciones comprendido entre el 19 y 23 de diciembre de 2022:

Información Pública

Comunicado a la opinión pública

El Instituto Colombiano para la Evaluación de la Educación - Icfes se permite informar que:

El Instituto Colombiano para la Evaluación de la Educación (ICFES), entidad encargada de realizar las pruebas del concurso de patrulleros de la Policía Nacional para el Ingreso al grado de subintendente, publicó los resultados de este proceso el 19 de noviembre de 2022 a través de la página web www.icfes.gov.co

Luego de conocidos los resultados, se presentaron reclamaciones por parte de algunos concursantes, para lo cual se dispuso la respectiva verificación del proceso, identificando el pasado 5 de diciembre una falla técnica en el cargue y procesamiento de una de las variables relacionadas con el ordenamiento de estos resultados que afectó el orden del resultado de las pruebas publicadas.

En este sentido, los resultados presentados por el ICFES el 19 de noviembre fueron sujetos de verificación, por lo que se procederá a realizar la actualización respectiva y su publicación con los resultados corregidos en la página web del instituto el día de hoy 16 de diciembre de 2022.

El periodo de reclamaciones frente a los resultados individuales se habilitará entre el 19 y el 23 de diciembre de 2022.

La publicación definitiva se realizará el 29 de diciembre de 2022.

8. Así, durante el mismo día correspondiente al 16 de diciembre de 2022, el Icfes en una nueva publicación oficial y con un listado en documento tipo PDF con el mismo título del anterior listado: "Información Pública Clasificada" "Resultados del Concurso de Patrulleros previo al curso de capacitación para ingreso al grado de Subintendente 2022-2", dio a conocer los nuevos resultados a través del siguiente link: https://www2.icfes.gov.co/documents/39286/2037198/Calificacion_patrulleros_2022.pdf, en el cual la entidad cambió el orden de los puestos y con ello disminuyendo de manera notable los porcentajes de mis calificaciones, alejándome de manera considerable del puesto que había obtenido, sin tener hasta el momento una explicación

www.ario.com.co CAPACITACIÓN CONCURSO ASCENSO A SUBINTENDENTE

detallada, justa y completa sobre la presunta falla técnica que ahora me dejaba por fuera de los 10.000 cupos asignados para realizar el curso previo al grado de Subintendente de la Policía Nacional, pese a que en un acto irresponsable el Gobierno Nacional ya había notificado la oficialidad de dichos resultados, causando graves e irreparables consecuencias a mi salud, a mi dignidad y a la de mi familia con quienes ya habíamos dado por hecho el haber superado el examen previo al curso al grado de Subintendente, arrojando ahora lo siguiente:

Información Pública Clasificada

Resultados del Concurso de Patrulleros previo al curso de capacitación para
Ingreso al grado de Subintendente 2022-2

Puesto	Identificación		Puntaje pruebas psicotécnicas (50%)				Puntaje prueba conocimientos policiales (50%)	Puntaje global	Puntaje por antigüedad	Puntaje total
	Documento de identidad	SNP	Razonamiento cuantitativo (10%)	Lectura crítica (10%)	Competencias ciudadanas (15%)	Actitudes y valores (15%)				
10360	1075624350	PN202220131768	26,66667	46,66667	63,33333	87,50000	53,00000	56,45833	28,00000	84,45833

9. El Icfes afirma que es un instituto que trabaja, reconoce y valora la calidad y la investigación en educación como un aspecto determinante para construir un mejor futuro para todos los colombianos y avanzar hacia la disminución de las brechas existentes en todos los escenarios de la sociedad y que su propósito es generar, a partir de los **resultados de las pruebas y hallazgos en la investigación de la educación**, oportunidades para el fortalecimiento de las competencias y habilidades de las personas en cualquier etapa de sus vidas, además de suministrar experiencias y conocimientos que orienten la toma de decisiones en política pública para transformar la calidad de la educación, sin embargo al presentar una falla en este proceso de calificación no solo ha causado irresponsablemente un daño irreparable en mi persona y mi familia, pues si ya presentaron una falla, no es posible que podamos confiar en la corrección de la misma sin que nuevamente se hayan equivocado y hago responsable a la entidad estatal y también a sus aliados en este proceso.
10. Encuentro que bajo la dirección del Icfes existen más de 21 profesionales Universitarios con especializaciones y Magister en la Universidad de los Andes, 2004, Master Of Education in Harvard University, 2012 y Doctorados Of Education, Harvard University, con muchos años de experiencia, sin embargo una falla de tal magnitud solo ha dejado en evidencia la incompetencia y la culpabilidad de la entidad estatal para calificar un examen de tan solo 200 preguntas y dudo absolutamente que la corrección de la supuesta falla que mencionan en sus comunicados simples e insultantes, esté completamente subsanada.

PRETENSIONES

PRIMERA: Fundamentar, soportar y explicar de manera detallada, todos y cada uno de los pasos y protocolos de aplicación utilizados en la primera prueba realizada el domingo 25 de septiembre de 2022 y sobre la cual se notificaron resultados el 19 de noviembre de 2022, especificando si durante la realización de la misma se reportaron novedades en mi contra que pudiesen haber alterado el resultado que obtuve en dicha prueba.

SEGUNDA: Evidenciar, argumentar y explicar todos y cada uno de los controles que se aplicaron a mi prueba presentada el domingo 25 de septiembre de 2022 y en adelante la custodia que se le aplicó a la misma junto al tratamiento de calificación, especificando el método o algoritmo de calificación utilizado que arrojó los resultados que he anexado anteriormente en el punto 3 (hechos) y que fueron notificados el 19 de noviembre de 2022 en su página web.

TERCERA: Especificar el motivo por el cual la entidad Icfes publicó los resultados de manera oficial sin esperar el resultado de las reclamaciones que pudieran dar lugar a correcciones o cambios drásticos de dichos resultados.

CUARTA: Informar cuales fueron las novedades y reclamaciones reportadas por los concursantes que la entidad Icfes menciona en su comunicado oficial, anexo en el punto 7 (Hechos) y sobre las cuales basa su justificación de falla y sobre la cual exijo tener conocimiento detallado pues finalmente afectó mis resultados iniciales. Solicito además las fechas en que dichos reclamos fueron presentados, aclarando si cumplieron con los tiempos exigidos por la entidad para ser atendidos y resueltos.

QUINTA: Suministrar una copia virtual completa del Contrato Interadministrativo PN DINA E N° 80-5-10059-22 suscrito con la Policía Nacional y una copia del protocolo de atención quejas y reclamos frente al examen para el concurso a Subintendente realizado el 25 de septiembre de 2022 y enviarla al correo roman.rodriguez1401@correo.policia.gov.co

SEXTA: Confirmar si los resultados de mi prueba realizada el 25 de septiembre de 2022 cumplen con los requisitos de las respuestas centradas en evidencias que exigen validez y confiabilidad y en caso contrario informar el motivo por el cual el Icfes no pudo dar cuenta de la falla a tiempo.

SEPTIMA: ¿Cuál era la probabilidad de falla estimada en la calificación de mi examen con la entidad Icfes?

OCTAVA: Aclarar de manera detallada y específica el motivo, del cambio de mis resultados frente a la primera y segunda publicación realizada por la entidad Icfes de manera oficial en su portal web, utilizando todo el concepto técnico de la falla, procesos realizados, incluyendo datos algorítmicos, matemáticos y lógicos necesarios, sin omitir información importante que pueda esclarecer el cambio abrupto de mis calificaciones en cada uno de los ítems evaluados y con las respectivas fórmulas que se aplicaron para producir la alteración de los nuevos porcentajes calificativos.

NOVENA: El nuevo resultado de los exámenes del concurso a Subintendente publicado el 16 de diciembre de 2022 por el Icfes ¿es 100% confiable?, en caso contrario ¿Cuál es probabilidad de error que pueden presentar los nuevos resultados?

DECIMA: Indicar todos y cada uno de los procesos de control y verificación que adelantó la entidad Icfes para proceder a nueva calificación que se publicó el 16 de diciembre de 2022.

DÉCIMOPRIMERA: Informar si en cualquiera de los procesos anteriores el Icfes notificó la novedad a tiempo a alguna de las entidades de control a las que está sujeta, como Ministerio de Educación, Contraloría General de la República, Defensoría del Pueblo, Veedurías ciudadanas, en caso afirmativo anexar las respectivas evidencias de lo actuado y en caso contrario informar ¿Por qué no se adelantó dicho proceso?

DÉCILOSEGUNDA: Revisar y rectificar los resultados obtenidos en mi examen de forma detallada y minuciosa, especificando si mi hoja de respuestas presenta fallas como: 1- Varias **evidencias** marcadas en un solo **enunciado**. 2- Tinta de lápiz borrosa o débil. 3- Deterioro de la hoja de respuestas con arrugas o dobleces que impidan la correcta lectura en la máquina. 4- Otro tipo de errores que impidieran la correcta lectura. Anexar evidencia del proceso realizado.

DÉCIMOTERCERA: ¿En qué proceso del Icfes se presentó exactamente la falla de la calificación que llevó al cambio de mis resultados de forma negativa? Especificar nombre del funcionario de ser el caso, nombre y descripción del equipo tecnológico, nombre y descripción del software.

DÉCIMOCUARTA: ¿Cuáles serán las medidas a tomar en adelante para evitar que se presenten estos nuevos sucesos en futuros exámenes?

DECIMA QUINTA: habida cuenta que el concurso para acceder al curso para ascenso al grado de subintendente corresponde a una evaluación de meritocracia para ascender en la carrera administrativa policial, solicito que se me entregue copia de mi examen y sus resultados al correo electrónico aquí autorizado, con el fin de consolidar y materializar el debido proceso, las calificaciones de exámenes de Estado justas, el derecho de acceso a la justicia y el derecho de acceso a la información pública y personal.

FUNDAMENTOS DE DERECHO

Constitucionales

Derecho de Petición artículo 23 Constitución Política de Colombia.

Convocatoria: Concurso de Patrulleros Previo al Curso de Capacitación para el Ingreso al Grado de Subintendente 2022.

REF: 202220106271

Respetado Patrullero,

Reciba un cordial saludo. Recibimos la reclamación del asunto, sobre la cual realiza varios requerimientos sobre los resultados de la prueba de patrulleros que se llevó a cabo para la aplicación de las pruebas del concurso de Patrulleros de la vigencia 2022, los cuales me permito dar respuesta a continuación:

PRIMERA: Fundamental, soportar y explicar de manera detallada, todos y cada uno de los pasos y protocolos de aplicación utilizados en la primera prueba realizada el domingo 25 de septiembre de 2022 y sobre la cual se notificaron resultados el 19 de noviembre de 2022, especificando si durante la realización de la misma se reportaron novedades en mi contra que pudiese haber alterado el resultado que obtuve en dicha prueba

Respuesta: Es importante mencionar que la actualización en los resultados publicados el viernes 16 de diciembre de 2022, frente a los publicados el 19 de noviembre, no obedece a novedades presentadas en la aplicación del examen del día 25 de septiembre; sin embargo y teniendo en cuenta la solicitud, a continuación, se detalla el protocolo de aplicación que el ICFES implemento el 25 de septiembre en todos los sitios dispuestos para tal fin:

1.1 Logística de aplicación

En el marco del desarrollo del contrato con la Policía Nacional fueron adquiridos los servicios de logística para la aplicación de la prueba, el cual dentro de sus requerimientos técnicos exigió un equipo mínimo de trabajo encargado de garantizar la custodia y seguridad del material de examen, previniendo la fuga o pérdida de las preguntas que componen la prueba psicotécnica

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

y de conocimientos policiales para el concurso de patrulleros previo al curso de capacitación para ingreso al grado de Subteniente.

En este sentido, se puede observar que los requerimientos técnicos contemplaron la selección rigurosa de cada una de las personas que participan directamente en la seguridad y custodia del material de examen y sus examinados, el día de aplicación de la prueba. A continuación, se presenta el esquema de aplicación utilizado en el desarrollo de la prueba:

Para la asignación de los roles en los sitios de aplicación, se tuvo en cuenta las siguientes reglas:

ROL	REGLA DE ASIGNACIÓN
Delegado	Uno por cada sitio de aplicación, y tienen a su cargo hasta máximo cuarenta (40) salones por sitio por sesión, cuando se supere dicho número se debe disponer de un delegado adicional. En los sitios donde la aplicación se realice en un sólo salón, el delegado asume las labores de jefe de salón.
Coordinador de salones	Uno (1) por cada seis (6) salones en cada sitio por sesión de aplicación (Teniendo en cuenta que la mitad más uno aproxima Ej.: si hay diez (10) salones se nombran dos coordinadores de salones). Si hay menos de seis (6) salones no se contempla este cargo y las funciones deben ser desempeñadas por el delegado.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

ROL	REGLA DE ASIGNACIÓN
Jefe de salón	Uno (1) por salón en cada sitio de aplicación.
Coordinador de sitio	Uno (1) por cada sitio de aplicación.
Dactiloscopista	Por sitio de aplicación, uno (1) por cada cuatrocientos (400) examinandos. Si el sitio tiene menos de 400 examinados por lo menos 1 dactiloscopista.
Auxiliar	Uno (1) por cada cuatro (4) salones de aplicación por sesión. Si hay menos de cuatro (4) salones se asignará un (1) auxiliar.

1.1.1 Identificación de los examinandos

Con el fin de prevenir suplantaciones y garantizar la correcta identificación de cada uno de los policías evaluados, el Icfes estableció un protocolo que fue aplicado el 25 de septiembre de 2022 por los examinadores responsables de la seguridad de la información de la prueba, en donde fueron verificados los siguientes documentos válidos que acreditaron la identificación de los patrulleros para la presentación del examen:

- Cédula de ciudadanía.
- Cédula Policial.

Los documentos fueron presentados en original no se admitieron fotocopias ni documentos escaneados. No obstante, el Icfes excepcionalmente permitió la presentación del examen al usuario que exhiba constancia de pérdida de documentos, previa validación y autorización desde el puesto de mando unificado (PMU) de la Policía.

En los sitios de aplicación, el dactiloscopista realizó la toma de huellas que garantizó la validación de la identificación de cada uno de los examinandos.

1.1.2 Entrega de kit individual

Para efectos de la presentación de la prueba del 25 de septiembre de 2022, cada uno de los examinandos recibió por parte del Icfes un kit individual debidamente sellado, el cual incluyó:

- Cuadernillo perfectamente personalizado en impresión digital con marca de agua, identificando código y nombre del examinando, código de barras, logos símbolos, número y serie de seguridad, con lo que se garantizó el control en la aplicación de la prueba.
- Hojas de respuesta perfectamente personalizado, código de barras, logos símbolos, número y serie de seguridad, con lo que se garantizó el control en la aplicación de la prueba.
- Hoja en blanco para las operaciones de la prueba psicotécnica.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- Lápiz de mina negra No. 2, tajalápiz y borrador.

Lo anterior, debido a que no se aceptó el ingreso de material o de cualquier elemento o dispositivo electrónico durante la presentación de la prueba del 25 de septiembre de 2022, garantizando la seguridad de las preguntas y previniendo la fuga o pérdida de información.

Es importante señalar que al recibir el material de examen cada examinado verifica su nombre y número de registro y posteriormente desprender del cuadernillo la hoja de respuesta y hoja para operaciones.

1.1.3 Recolección y organización del material de examen

La seguridad de la prueba es prioridad durante el desarrollo de la aplicación, por esta razón, todo el material de examen fue recogido (cuadernillos, hojas de respuestas y hojas para operaciones). Los examinadores responden por la seguridad y completitud del material de examen, por lo que una vez finalizada la prueba del 25 de septiembre de 2022 se evidenció que los cuadernillos que contienen las preguntas fueron recogidos en su totalidad.

1.1.4 Distribución de pruebas psicotécnicas y de conocimientos policiales para el concurso de patrulleros previo al curso de capacitación para ingreso al grado de subteniente

Sesión	Duración	Citación	Prueba	Subprueba	Cantidad de preguntas
Primera	4 horas y 40 minutos	7:00 a.m.	Psicotécnicas	Razonamiento cuantitativo	30
				Lectura crítica	30
				Competencias ciudadanas	30
				Acciones y actitudes	60
Segunda	3 horas	1:30 p.m.	Conocimientos policiales		100

1.1.5 Asistencia de examinandos

El número de patrulleros inscritos inicialmente fue de 43.471, de éstos, fueron habilitados y citados 41.612 para presentar las pruebas psicotécnicas y de conocimientos policiales para el concurso de patrulleros previo al curso de capacitación para ingreso al grado de Subteniente.

Para la primera sesión se contó con una asistencia de 40.871 examinandos, y para la segunda sesión de 40.865 examinados, que presentaron esta prueba.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

Después de la explicación mencionada, es importante reiterar que la actualización de los resultados no obedece a circunstancias particulares en la aplicación de la prueba, en todo caso sí, cualquier actuación individual que diera cuenta de la materialización de una conducta prohibida durante la presentación de la prueba por el evaluado, generaría una terminación anticipada, un debido proceso de defensa judicial y una anulación de la prueba si fuera el caso.

El día de la prueba solo se presentaron dos novedades con relación a conductas prohibidas en sitio de aplicación, esto llevo a la terminación anticipada de dos evaluados, los demás evaluados no presentaron inconveniente en su proceso.

SEGUNDA: Evidenciar, argumentar y explicar todos y cada uno de los controles que se aplicaron a mi prueba presentada el domingo 25 de septiembre de 2022 y en adelante la custodia que se le aplicó a la misma junto al tratamiento de calificación, especificando el método o algoritmo de calificación utilizado que arrojó los resultados que he anexado anteriormente en el punto 3 (hechos) y que fueron notificados el 19 de noviembre de 2022 en su página web.

Respuesta: Con el fin de garantizar que cada hoja de respuesta corresponda al cuadernillo del evaluado en particular, el Icfes entregó a cada evaluado un Kit individual de aplicación debidamente sellado, el cual incluyó:

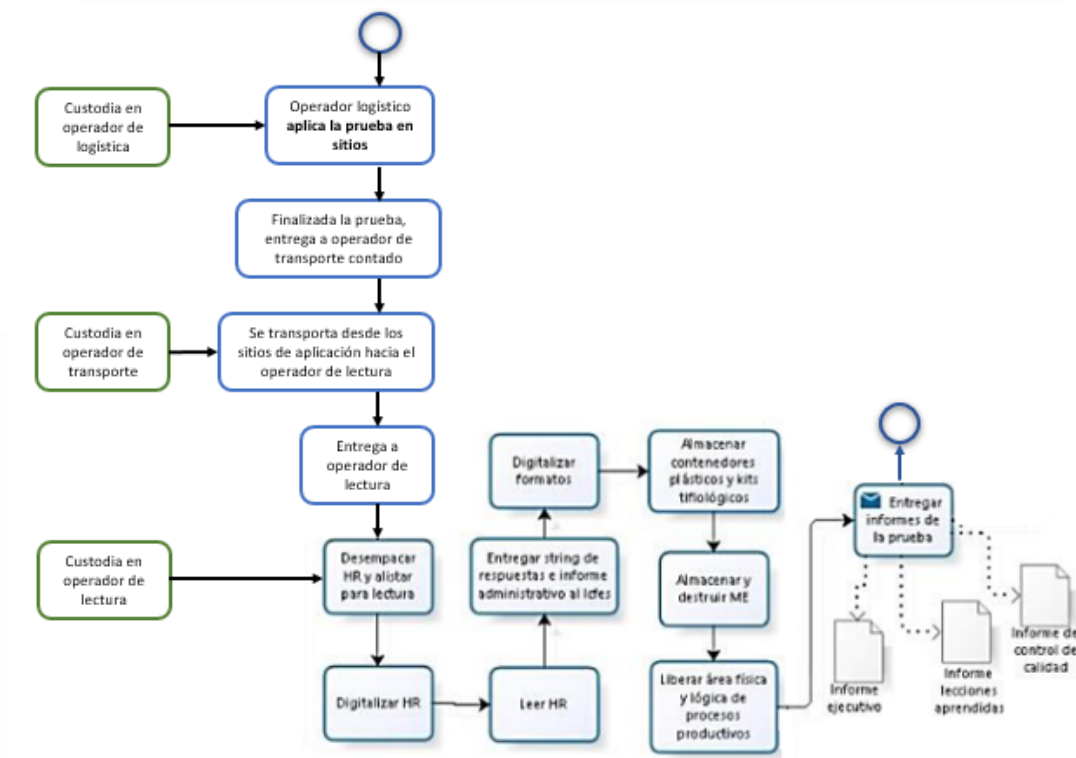

- Cuadernillo perfectamente personalizado en impresión digital con marca de agua, identificando código y nombre del examinando, código de barras, logos símbolos, número y serie de seguridad, con lo que se garantizó el control en la aplicación de la prueba.
- Hojas de respuesta perfectamente personalizadas, código de barras, logos símbolos, número y serie de seguridad, con lo que se garantizó el control en la aplicación de la prueba.
- Hoja en blanco para las operaciones de la prueba psicotécnica.
- Lápiz de mina negra No. 2, tajalápiz y borrador.

Una vez realizada la prueba, la custodia del material pasó del operador de logística al operador de transporte, quien hizo la recolección a nivel nacional y entregó el material de examen en la planta del operador de lectura para su debido tratamiento; en el siguiente diagrama se observa el paso a paso de dicha custodia:

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- HR: Hoja de respuesta
- ME: Material de examen

Respecto a la metodología de calificación utilizada, es la puntuación directa teniendo en cuenta la Teoría Clásica del Test (TCT), la cual consiste en asignar una valoración numérica de acuerdo con las respuestas correctas marcadas por el evaluado durante su prueba de conocimientos policiales y las cuatro pruebas psicotécnicas (razonamiento cuantitativo, lectura crítica, competencias ciudadanas). Para la calificación de la prueba de acciones y actitudes se toma la valoración numérica y teniendo en cuenta el sentido del ítem (frecuencia directa, frecuencia inversa, acuerdo directo, y acuerdo inverso) se asigna el puntaje.

Una vez se obtuvieron las valoraciones numéricas o la suma de aciertos según corresponda, estas se dividieron por el máximo puntaje que podría alcanzar el evaluado. Finalmente, se multiplica por 100 para llevar el resultado a la escala de 0 a 100 puntos, empleada por el Icfes y acordada con la Policía Nacional para el Concurso de Patrulleros previo al curso de capacitación para el ingreso al grado de Subintendente 2022.

Dichos puntajes se ponderaron de acuerdo con la asignación de pesos establecida en la guía de orientación publicada en <https://www.icfes.gov.co/web/guest/policia-nacional> para conformar el puntaje global. Posteriormente, y con base en la suma del puntaje global y el puntaje de antigüedad, se estima el puntaje total, el cual es ordenado en forma descendente y redondeado a 5 decimales.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

TERCERA: Especificar el motivo por el cual la entidad Icfes publicó los resultados de manera oficial sin esperar el resultado de las reclamaciones que pudieran dar lugar a correcciones o cambios drásticos de dichos resultados.

Respuesta: Dando cumplimiento al cronograma preestablecido y publicado, el Icfes habilitó un tiempo de reclamaciones, periodo en el cual se realizaron las validaciones correspondientes sobre el proceso de calificación con base en las respuestas de los evaluados que el sistema interno del Icfes generó inicialmente, no encontrando a la fecha de publicación definitiva ninguna novedad sobre este proceso, por lo cual se procedió a publicar los resultados. Posteriormente, y con base en varias reclamaciones por parte de los evaluados, se evidenció la necesidad de actualizar los resultados que fueron publicados el pasado 16 de diciembre.

CUARTA: Informar cuales fueron las novedades y reclamaciones reportadas por los concursantes que la entidad Icfes menciona en su comunicado oficial, anexo en el punto 7 (Hechos) y sobre las cuales basa su justificación de falla y sobre la cual exijo tener conocimiento detallado pues finalmente afectó mis resultados iniciales. Solicito además las fechas en que dichos reclamos fueron presentados, aclarando si cumplieron con los tiempos exigidos por la entidad para ser atendidos y resueltos.

Respuesta: Se recibieron 6 reclamaciones que se encontraban asociadas a inconformidades en el puntaje de las pruebas psicotécnicas (razonamiento cuantitativo, lectura crítica, competencias ciudadanas y acciones y actitudes), en algunos se solicitaba la recalificación de las pruebas y en otros casos conocer las metodologías de calificación.

Se presentaron algunos casos en los cuales se detectaron puntajes muy bajos o ceros para algunas de las pruebas psicotécnicas en comparación a las otras, en consecuencia, se decidió hacer una revisión general adicional sobre las cadenas de respuesta detectando el inconveniente sobre la variable.

QUINTA: Suministrar una copia virtual completa del Contrato Interadministrativo PN DINA E N° 80-5-10059-22 suscrito con la Policía Nacional y una copia del protocolo de atención quejas y reclamos frente al examen para el concurso a Subintendente realizado el 25 de septiembre de 2022 y enviarla al correo carlos.morales3051@correo.policia.gov.co

Respuesta: el contrato solicitado puede ser consultado en el siguiente enlace del SECOP II:
<https://community.secop.gov.co/Public/Tendering/OpportunityDetail/Index?noticeUID=CO1.NT.C.3000525&isFromPublicArea=True&isModal=true&asPopupView=true>. Y el protocolo de reclamaciones se encuentra adjunto.

SEXTA: Confirmar si los resultados de mi prueba realizada el 25 de septiembre de 2022 cumplen con los requisitos de las respuestas centradas en evidencias que exigen validez y confiabilidad

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

y en caso contrario informar el motivo por el cual el Icfes no pudo dar cuenta de la falla a tiempo.

Respuesta: Todas las preguntas que el Icfes realiza cumplen con los criterios del diseño centrado en evidencias, pues cada pregunta corresponde a una tarea, que depende de una evidencia, y esta a su vez, de una afirmación. Además, las preguntas pasan por un riguroso proceso de construcción, revisión antes de su aplicación. Por lo anterior, las pruebas presentadas son estandarizadas y no perjudican ni favorecen en su calificación a ninguna persona en particular.

En la guía de orientación que se encuentra en el siguiente enlace, se pueden consultar en detalle las especificaciones de cada una de las pruebas:

<https://www.icfes.gov.co/documents/39286/3267550/Gui%CC%81a+de+orientacio%CC%81n+Concurso+de+Patrulleros+2022.pdf/114e2807-880d-e3a9-4ffb-4ff7fca6d22f?t=1659383990193>

SEPTIMA: ¿Cuál era la probabilidad de falla estimada en la calificación de mi examen con la entidad Icfes?

Respuesta: Nos permitimos aclarar que desde el Instituto se desarrollaron controles en cada uno de los procesos de construcción y calificación de las pruebas psicotécnica y de conocimientos policiales, aplicación que en los últimos procesos de concurso han garantizado el mantenimiento del 100 % de las puntuaciones y la idoneidad de los resultados. Por otra parte, los resultados del proceso de calificación pueden verse afectados por fallas operativas, logísticas y/o tecnológicas que pueden afectar la calidad el ordenamiento de las cadenas de respuesta de los evaluados, y otros asuntos, en general. Por tanto, de manera a priori no es posible estimar matemáticamente la probabilidad asociada a la falla técnica presentada.

OCTAVA: Aclarar de manera detallada y específica el motivo, del cambio de mis resultados frente a la primera y segunda publicación realizada por la entidad Icfes de manera oficial en su portal web, utilizando todo el concepto técnico de la falla, procesos realizados, incluyendo datos algorítmicos, matemáticos y lógicos necesarios, sin omitir información importante que pueda esclarecer el cambio abrupto de mis calificaciones en cada uno de los ítems evaluados y con las respectivas fórmulas que se aplicaron para producir la alteración de los nuevos porcentajes calificativos.

Respuesta: A continuación, se describen los procesos que están relacionados con la falla tecnológica que originó el inconveniente, generando la necesidad de actualizar los resultados publicados el día 19 de noviembre y que dan lugar a la publicación del 16 de diciembre:

BASE DE ARMADO PARA PROCESO DE CALIFICACIÓN

Posterior al proceso de aplicación de la prueba, fueron construidos los archivos necesarios para el proceso de calificación. Se realizó la entrega de esta información el día 26 de septiembre de 2022 a la Subdirección de Estadística y a la Subdirección de Información. La entrega de los siguientes archivos se realizó de manera segura encriptando la información, suministrando las

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

contraseñas de apertura de cada uno de estos por un medio seguro para minimizar los riesgos de integridad de información:

- A. Un archivo de Excel denominado **“1. PATRULLEROS_TEC_2022_2.xls”** que cuenta con 3 pestañas:
- PATRULLEROS_2022_2 1
 - PATRULLEROS_2022_2 2
 - PATRULLEROS_2022_2 3
- B. Un archivo de Excel denominado **“3. ITEMS_PRISMA_PATRULLEROS_2022_2.xls”** que cuenta con 2 pestañas:
- SABER_PATRULLEROS_2022_2 1
 - Diccionario

Este archivo es una ficha que se requiere para confirmar que todos los ítems que se disponen para el proceso de calificación estén creados en la plataforma institucional Prisma.

- C. Un archivo de Excel denominado **“4. ESQUEMA_DE_VALORES_PATRULLEROS_2022_2.xls”** que cuenta con 2 pestañas:
- Esquema de valores
 - Ítem

Este es un archivo es una ficha que contiene la estructura de los esquemas de valor que tiene cada uno de los ítems.

Los archivos requeridos para el montaje de las bases del proceso de calificación son creados a partir de cada una de las fichas técnicas entregadas por la Subdirección de Diseño de Instrumentos, la información que debe ser cargada a la ficha 1. PATRULLEROS_TEC_2022_2 y 2. SABANA_PATRULLEROS_2022_2, por parte de la Subdirección de Producción de Instrumentos es la siguiente:

- Clave (respuesta acertada o correcta) de cada ítem.
- Código Prisma que contiene la taxonomía de cada uno de los ítems.
- Posición final de los ítems dentro de los bloques, que se determina por la diagramación de la información.

Toda la información construida para el proceso de calificación se realizó dentro de la zona segura de Banco de Pruebas e Ítems, siguiendo todos los protocolos de seguridad establecidos.

La ficha que se cargó al sistema de información ANALITEM-INTERACTIVO contiene tres pestañas que se construye de la siguiente manera:

- La primera contiene el código de prueba, el nombre de la prueba, el código de la forma, el nombre de la forma, la sesión que corresponde a cada uno de los cuadernillos, el nombre

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- de los cuadernillos, la cantidad de ítems y el orden de las pruebas dentro de los cuadernillos, conforme a la Ficha Técnica de los Instrumentos y en el archivo de Estructura del Examen.
- La segunda, contiene la información de los ítems del examen, la variable que relaciona los nombres de las pruebas y la forma, así como los ítems asignados para cada forma en el orden establecido desde la diagramación de los bloques e indicando el orden dentro de cada forma, la identificación de la sesión de la forma, los id de los componentes y competencias, además la variable que identifica los ítems de bloques (lo que se denomina ES_EQUATING), el bloque al que pertenece el ítem y el orden dentro de este, adicional, debe contar con el nombre del SubBloque y el orden SubBloque dentro de cada forma, al igual que la variable del código prisma.
- La tercera, contiene el código del ítem, la clave y la cantidad de opciones de respuesta que tiene cada ítem.

Estas fichas se entregaron a la Subdirección de Información y a la Subdirección de Estadística siguiendo los protocolos de seguridad establecidos en el Banco de Pruebas e Ítems; mediante acta “CIE -FT013 - ACTA DE ACCESO O ENTREGA DE INFORMACIÓN BAJO CUSTO DEL BANCO DE PRUEBAS E ÍTEMS”, que incluye como mínimo: a) motivo que justifica la entrega de información, que en este caso se trata del cumplimiento del procedimiento o fechas establecidas en el cronograma institucional para el cumplimiento de compromisos de la Subdirección de Producción de Instrumentos, b) persona a quien se entrega la información, c) descripción de la información autorizada, d) fecha de entrega, e) aceptación de condiciones de acceso a la información, f) observaciones, g) firma del acta por parte de la persona del Banco de Pruebas e Ítems y la persona que recibe la información.

En el caso de la información correspondiente a la prueba Psicotécnica y de Conocimientos Policiales para el concurso de Patrulleros, previo al curso de capacitación para ingreso al grado de subintendente 2022, la ficha 1. PATRULLEROS_TEC_2022_2 fue remitida con la estructura dispuesta en el orden de entrega, ordenada respecto a las variables “CODIGO_PRUEBA_BASE” y “LETRA_CUADERNILLO”.

Una vez entregado y compartido el archivo en Excel cifrado con contraseña por parte de la Subdirección de Producción de Instrumentos a la Subdirección de Información, ésta procedió con el cargue de los datos a la base de datos de la plataforma Interactivo de acuerdo con el documento técnico que se tiene, realizando sin ninguna alerta o error los siguientes pasos:

Paso 1 – Agregar el ID del Examen al contenido del Armado.

Desde la base de datos del sistema PRISMA se tomó el id interno del examen correspondiente a la ficha de armado de la prueba, requisito necesario para el cargue e la información al módulo de calificación, el cual se agregó a la primera columna de la hoja 1 del archivo Excel de la ficha de armado, como se muestra en la celda resaltada de la siguiente imagen de ejemplo:

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

A	B	C	D	E	F	G	H
ID EXAMEN	CODIGO PRUEBA BASE	NOMBRE PRUEBA BASE	CODIGO FORMA	NOMBRE FORMA	SESION	LETRA CUADERNILLO	CANTIDAD ITEMS
1010		RAZONAMIENTO CUANTITATIVO			1		30
1010		LECTURA CRITICA			1		30
1010		COMPETENCIAS CIUDADANAS			1		30
1010		ACCIONES Y ACTITUDES			1		60

Paso 2 - Exportar las hojas de archivo de armado a archivos con formatos texto plano:

Para realizar el cargue del contenido del archivo de armado, se exportó de forma adecuada el contenido de las tres hojas del Excel a formato T *separado por tabulación*, sin la primera fila de encabezados de cada hoja.

Paso 3 – Configuración inicial aplicativo soporte calificación.

Para realizar la configuración de la prueba en el aplicativo ANALITEM-INTERACTIVO, que soporta parte del proceso de calificación, se cargó el contenido de la hoja 1 a la tabla de configuración en la base de datos y se realizaron las siguientes validaciones y configuraciones:

- Verificar el examen y aplicación.
- Creación de variables locales de los datos.
- Verificar las pruebas asociadas al examen.
- Verificar combinatorias faltantes.
- Verificar y ajustar prearmado o ficha técnica.
- Crear las diferentes configuraciones de formas por prueba.
- Crear las diferentes configuraciones de formas por combinatoria.
- Crear las diferentes configuraciones de examen y aplicación en el esquema de ANALITEM-INTERACTIVO.

Este paso es un requisito obligatorio para el cargue del contenido de las tres hojas del archivo de armado en formato txt del siguiente paso.

Paso 4 – Cargue de archivos txt a base de datos ANALITEM-INTERACTIVO:

Usando la aplicación de ANALITEM-INTERACTIVO, en las funcionalidades de cargue de armado, se realizó el cargue de los archivos txt exportados en el paso No 2 correspondientes a las tres hojas del archivo de armado.

Para el proceso de cargue de los archivos txt se tienen las siguientes indicaciones para cada caso:

- Seleccionar la opción “**Listado de formas de una aplicación**” de la lista desplegable y ubicar el archivo plano de la **hoja 1**. Dar clic en el botón “Guardar”. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo “Tipo de archivo”.
- Seleccionar la opción “**Items por prueba en una aplicación**” de la lista desplegable y ubicar el archivo plano de la **hoja 2**. Dar clic en el botón “Guardar”. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo “Tipo de archivo”.
- Seleccionar la opción “**Listado de ítems de una aplicación**” de la lista desplegable y ubicar el archivo plano de la **hoja 3**. Dar clic en el botón “Guardar”. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo “Tipo de archivo”.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

Posterior al cargue, se revisó a nivel de la base de datos por medio de los programas estandarizados que los datos del armado estuvieran cargados de forma consistente.

Paso 5 – Configuración y verificación final de armado en ANALITEM-INTERACTIVO:

Luego de terminar el cargue del armado, se ejecutaron los programas estandarizados (desde el No.0052 al 0094) para realizar las siguientes actividades y procesos:

- Crear de variables locales de los datos.
- Verificar que no existan Ítems sin formas asociadas.
- Verificar que las formas del archivo cargado estén creadas en .
- Verificar que el número de formas cargado corresponda al total de formas del Armado.
- Consultar que toda la información de la hoja 1 se haya cargado.
- Consultar formas faltantes por crear en y que vienen en el Armado.
- Consultar formas que vienen en el Armado y que no están creadas.
- Agregar información de pruebas en ANALITEM del examen.
- Verificar que el total de formas creadas corresponda al total de pruebas.
- Consultar y reportar formas que no se crearon en ANALITEM.
- Agregar información de la hoja 1 a ANALITEM.
- Consultar el total de registros creados en ANALITEM.HISTORICOPRUEBACOMBINATORIA para que coincida con los de la hoja 1.
- Agregar información de Pruebas base.
- Agregar información de Ítems y distractores normales de la aplicación
- Verificar que el total de distractores creados corresponda
- Agregar componentes de las pruebas para la aplicación.
- Agregar información de relación de ítems por prueba de la aplicación.
- Verificar que el total de ítems por prueba corresponda al total de registros de la hoja 2.
- Consultar que ítems prueba que no existe en ANALITEM-INTERACTIVO.
- Encontrar en cuáles ítems no coincide la clave con el distractor marcado como clave (no tiene un distractor marcado).
- Habilitar aplicación en el módulo de ANALITEM-INTERACTIVO.

La Subdirección de Información a través de correo electrónico el día 28 de septiembre de 2022 confirmó que *“Se realizó el cargue del armado de Patrulleros 2022-2 en el módulo de ANALITEM de acuerdo con la ficha entregada y/o Armado entregado desde la Dirección de Producción y Operaciones.”*. Así mismo, la Subdirección de Información a través de correo electrónico el día 05 de octubre de 2022, confirmó que *“Se realizó el cargue del armado de Patrulleros 2022-2 en el módulo de MISIONAL de acuerdo con la ficha entregada y/o Armado entregado desde la Dirección de Producción y Operaciones.”*. Es importante mencionar que los dos sistemas de información permitieron el cargue y procesamiento de los datos sin ninguna alerta reportada.

Lo anterior, teniendo en cuenta que históricamente en los procesos de cargue de la información que contiene el armado de la prueba, en caso de presentarse inconvenientes relacionados con el contenido de las fichas requeridas por el sistema de información ANALITEM-INTERACTIVO, el sistema determina que se está presentando algún inconveniente y no permite el

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

procesamiento de los datos; cualquier tipo de alerta es notificada a través de correo electrónico por la Subdirección de Información y se realizan las revisiones y los ajustes necesarios para solventar los inconvenientes. Específicamente para esta prueba, no se tuvo ninguna alerta por parte de la Subdirección de Información sobre el cargue de la información contenida en la ficha 1. PATRULLEROS_TEC_2022_2.

PROCESAMIENTO Y CALIFICACIÓN

A continuación, se realiza la descripción general de la etapa “procesamiento y calificación” de las pruebas para el concurso de Patrulleros, previo al curso de capacitación para el ingreso al grado de Subintendente:

Descarga por medio del módulo de ANALITEM-INTERACTIVO

El primer paso en el proceso de procesamiento y calificación consistió en la descarga de las cadenas de respuestas por medio del módulo de ANALITEM-INTERACTIVO. Este módulo almacena en un esquema de base de datos las cadenas de respuestas de los evaluados y la información de la estructura de los cuadernillos. Cabe anotar que en el procesamiento y calificación la identidad de los evaluados no es conocida por ninguna de las personas involucradas en este proceso. Una aplicación web presenta la interfaz gráfica mediante la cual se realizó la descarga de un archivo en formato zip, dentro de este reposa una carpeta por cada una de las formas aplicadas. Dentro de cada carpeta se encuentran varios archivos, uno de ellos contiene las respuestas de cada uno de los evaluados para la forma (cuadernillo por prueba); otro contiene las claves, es decir, respuesta correcta para cada una de las preguntas que conforman la forma. Actualmente, y por proceso oficial en nuestro sistema de aseguramiento de calidad, este módulo es la herramienta oficial para hacer la descarga de los datos requeridos.

Análisis de Ítem

Una vez se realizó la descarga de las respuestas para cada evaluado, se procedió a implementar el proceso de análisis de ítem empleado por la Subdirección de Estadísticas. El análisis de ítem centra su mirada en el ítem o pregunta para cada una de las pruebas de Razonamiento Cuantitativo, Lectura Crítica, Competencias Ciudadanas, Acciones y Actitudes y Conocimientos Policiales. Se entiende por análisis de ítems el estudio de aquellas propiedades de los ítems que están directamente relacionadas con las propiedades de la prueba.

Desde la Teoría Clásica del Test (en adelante, TCT) es posible hacer un análisis de ítems teniendo en cuenta la dificultad de estos. La dificultad de la pregunta es entendida como 1 menos la proporción de personas que contestaron correctamente el ítem. Por ejemplo, en una prueba con 100 evaluados y para un ítem cualquiera α , si el número de personas que contestan correctamente es igual a 70 entonces la dificultad del ítem será:

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

$$\begin{aligned} \text{dificultad}(a) &= \left[1 - \frac{C(a)}{N} \right] \times 100 \\ &= \left[1 - \frac{70}{100} \right] \times 100 \\ &= (1 - 0.7) \times 100 \\ &= 30 \end{aligned}$$

Donde $C(a)$ es el número de personas que contestaron correctamente el ítem a , y N es el total de personas que abordaron el ítem. Dicho parámetro toma valores entre 0 y 1, así que para hacer más fácil su interpretación se multiplica por 100 y de esta forma el rango queda entre 0 y 100. El valor del parámetro se puede interpretar como el porcentaje de personas que no pudieron contestar el ítem de forma correcta, que en el caso del ejemplo toma el valor de 30.

Posterior al procesamiento se realizaron las reuniones con el equipo de gestores (expertos de pruebas) de la Subdirección de Diseño de Instrumentos para revisar desde el punto de vista cualitativo el contenido de las preguntas y validar el comportamiento psicométrico de los ítems. Los resultados de estas reuniones se presentan en el comité de análisis de ítem, el cual está encabezado por los equipos asignados de la Subdirección de Diseño de Instrumentos y Subdirección de Estadísticas, junto con los subdirectores de estas dos áreas y la directora de Evaluación.

Metodología de calificación

Seguido de la presentación de los resultados en el comité, se procedió a la asignación de puntaje para cada uno de los evaluados. La metodología de calificación utilizada por la Subdirección de Estadísticas es la puntuación directa teniendo en cuenta la Teoría Clásica del Test (TCT), la cual consiste en asignar una valoración numérica de acuerdo con las respuestas correctas marcadas por el evaluado durante su prueba de conocimientos policiales y las cuatro pruebas psicotécnicas (razonamiento cuantitativo, lectura crítica, competencias ciudadanas). Para la calificación de la prueba de acciones y actitudes se toma la valoración numérica y teniendo en cuenta el sentido del ítem (frecuencia directa, frecuencia inversa, acuerdo directo, y acuerdo inverso) se asigna el puntaje.

Una vez se obtuvieron las valoraciones numéricas o la suma de aciertos según corresponda, estas se dividieron por el máximo puntaje que podría alcanzar el evaluado. Finalmente, se multiplica por 100 para llevar el resultado a la escala de 0 a 100 puntos, empleada por el Icfes y acordada con la Policía Nacional para el Concurso Extraordinario de Patrulleros previo al curso de capacitación para el ingreso al grado de Subintendente 2022. Hasta este momento, la información relacionada con la identidad del evaluado es completamente anonimizada.

Dichos puntajes se ponderaron de acuerdo con la asignación de pesos establecida en la guía de orientación para conformar el puntaje global. Posteriormente, y con base en la suma del

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

puntaje global y el puntaje de antigüedad, se estimó el puntaje total, del cual ordenado en forma descendente y redondeado a 5 decimales, se estimó el ranking u orden de la clasificación.

Validaciones sobre proceso de calificación

Se implementaron diferentes puntos de control definidos dentro de la Subdirección de Estadísticas para garantizar la calidad de sus entregables que se mencionan a continuación:

- Inicialmente se indica que todo el procesamiento se encuentra parametrizado en lenguajes de programación estandarizados y replicables del software estadístico R. Un punto de control inicial consiste en el desarrollo de los procesos de análisis de ítem anteriormente mencionados, este proceso se ejecuta de forma independiente por al menos dos (2) expertos, a fin de descartar diferencias en los distintos procesamientos. Los resultados obtenidos son analizados por estadísticos, psicómetras y por los gestores (especialistas de cada prueba) y son sometidos a análisis en diferentes comités.
- Adicionalmente, se realiza un análisis de los patrones de respuesta proporcionados por los evaluados que presentaron el examen para las cinco pruebas. Los registros identificados en este procedimiento se remiten a Dirección de Producción de Operaciones para verificación de lectura. Posteriormente, se recibe el visto bueno para continuar con la calificación.
- En la siguiente etapa, al igual que con el análisis de ítems, el procesamiento de la calificación es realizado por, al menos, dos personas de manera independiente y posteriormente los resultados son comparados en una doble validación, de tal manera que se garantice coincidencia del 100% en cada uno de los puntajes para cada evaluado en cada área. Es importante precisar que si se encuentra alguna diferencia en el proceso se vuelve a ejecutar desde el principio para descartar cualquier inconsistencia. Sobre los resultados obtenidos se realizan análisis estadísticos univariados para las distribuciones de los resultados con el fin de detectar comportamientos de calificaciones anómalos en cada una de las pruebas aplicadas.
- Sobre las calificaciones consolidadas y sobre el ordenamiento final incluyendo el puntaje de antigüedad se realizan validaciones manuales sobre una muestra de registros y, adicionalmente, se verifican estos valores sobre el PDF que se va a publicar. Se observa la consistencia en los resultados en términos del número de decimales, resultados finales dadas las ponderaciones de las pruebas y la consistencia del ordenamiento.

Proceso de resultados y primera publicación

Surtidas las validaciones sobre el proceso de calificación se procedió a remitir el archivo con los resultados de la calificación a la Subdirección de Información, acorde a las especificaciones previas respecto al formato de entrega y número de decimales. El archivo con los 41.599 registros con su respectivo puntaje se publicó en la página web del Icfes desde el 19 de noviembre de 2022.

Atención a reclamaciones

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

Efectuada la publicación de los resultados, procede el periodo de reclamaciones establecido entre el 21 al 25 de noviembre de 2022 dentro del cual se recibieron 148. En particular, para esta calificación dentro del proceso de atención a reclamaciones, se identificaron algunos casos con puntajes atípicos, razón por la cual se procedió a analizar y comparar las cadenas de respuesta de la lectura con las descargadas desde el módulo ANALITEM-INTERACTIVO identificando diferencias en su contenido.

Con base en lo anterior, se revisaron las tablas que contienen la información del módulo de ANALITEM-INTERACTIVO y se encontró que el campo donde se almacena el orden de las pruebas dentro del cuadernillo presentaba inconsistencias y provocó que el módulo generara de manera incorrecta las cadenas de respuestas para la calificación. De forma inmediata, se logró identificar que la causa de la inconsistencia ocurrió en el procedimiento en el cual se estructura la *base de armado para proceso de calificación*, específicamente en el archivo 1. PATRULLEROS_TEC_2022_2.xls

Como se explicó anteriormente, la falla tecnológica producto de la inconsistencia en el campo que al sistema el proceso de ordenamiento de las respuestas frente al área de conocimiento evaluado (Razonamiento Cuantitativo, Lectura Crítica, Competencias Ciudadana, Acciones y Actitudes y Conocimientos Policiales); es decir, el ajuste se da en el ordenamiento de las respuestas para que estas coincidan con las preguntas realizadas. Los cambios en la calificación se dan de manera generalizada para todos los evaluados, teniendo en cuenta, que el reordenamiento mencionado anteriormente implica dar coherencia a la totalidad de los resultados de la prueba; en este sentido, se reitera que no hubo ninguna alteración en las respuestas que cada evaluado consignó el día 25 de septiembre en la hoja de respuestas de su examen.

En lo concerniente al proceso de calificación, se debe aclarar que en ningún momento hubo cambio en la metodología, en las ponderaciones asociados a cada prueba, en los algoritmos para la generación de los puntajes por prueba y puntaje global, ni en el criterio de ordenamiento de los patrulleros. En ningún momento la falla se debió a los algoritmos o fórmulas de calificación, ni hubo manipulación de estas para beneficio de terceros.

NOVENA: El nuevo resultado de los exámenes del concurso a Subintendente publicado el 16 de diciembre de 2022 por el Icfes ¿es 100% confiable?, en caso contrario ¿Cuál es probabilidad de error que pueden presentar los nuevos resultados?

Respuesta: Para asegurar los resultados publicados el 16 de diciembre, el Icfes implementó y aplicó protocolos de calidad que incluyeron validaciones cruzadas realizadas por varias personas, como se expone posteriormente en el décimo apartado; y por diferentes sistemas informáticos, utilizando una nueva aplicación de descarga junto a la utilizada regularmente, encontrando coincidencias del 100% con cinco decimales de precisión.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

Le informamos que, para la calificación publicada el día 16 de diciembre se encuentra activo el periodo de reclamaciones, y teniendo en cuenta lo resuelto en esta etapa, se publicará la calificación definitiva el **30** de diciembre del año en curso.

DECIMA: Indicar todos y cada uno de los procesos de control y verificación que adelantó la entidad Icfes para proceder a nueva calificación que se publicó el 16 de diciembre de 2022.

Respuesta: Desde el Instituto se desarrollaron controles en cada uno de los procesos de construcción y calificación de las pruebas psicotécnica y de conocimientos policiales

- Todo el procesamiento se encuentra parametrizado en lenguajes de programación estandarizados y replicables del software estadístico R.
- Desarrollo de los procesos de análisis de ítem anteriormente mencionados, este proceso se ejecuta de forma independiente por al menos dos (2) expertos, a fin de descartar diferencias en los distintos procesamientos. Los resultados obtenidos son sometidos a análisis en un comité especializado.
- Análisis de los patrones de respuesta proporcionados por los evaluados que presentaron el examen para las cinco pruebas.
- Sobre las calificaciones consolidadas y sobre el ordenamiento final incluyendo el puntaje de antigüedad se realizan validaciones manuales sobre una muestra de registros

DÉCIMOPRIMERA: Informar si en cualquiera de los procesos anteriores el Icfes notificó la novedad a tiempo a alguna de las entidades de control a las que está sujeta, como Ministerio de Educación, Contraloría General de la República, Defensoría del Pueblo, Veedurías ciudadanas, en caso afirmativo anexar las respectivas evidencias de lo actuado y en caso contrario informar ¿Porqué no se adelantó dicho proceso?

Respuesta: El Icfes debe empezar por precisar que dentro del proceso que se ha adelantado con la Policía Nacional dentro del contrato interadministrativo PN-DINAE-80-5-10059-22, no se ha evidenciado ningún tipo de irregularidad o falta de transparencia que amerite las comunicaciones de que trata la pregunta.

De igual manera es importante señalar que el Icfes al identificar la falla presentada (5 de diciembre de 2022) informó como corresponde dentro de la relación contractual a la Policía Nacional lo sucedido, las soluciones y es así como se llega al nuevo cronograma de publicación de resultados. De igual manera el día 16 de diciembre se le entregó a la Policía Nacional un informe detallado de la situación presentada que hacía necesaria la actualización de los resultados.

Además, el Icfes publicó en su página web los resultados producto de la actualización y un comunicado que da cuenta del fallo técnico sucedido, el cual puede ser consultado por cualquier ciudadano o funcionario público de cualquier entidad.

Sobra adicionar que el Icfes, de ser requerido por cualquier entidad pública, ente de control o ciudadano dará las explicaciones pertinentes de lo sucedido como se hizo con la Policía Nacional y se hace a lo largo de este requerimiento.

DÉCIMOSEGUNDA: Revisar y rectificarlos resultados obtenidos en mi examen de forma detallada y minuciosa, especificando si mi hoja de respuestas presenta fallas como:1-Varias evidencias marcadas en un solo enunciado. 2-Tinta de lápiz borrosa o débil. 3-Deterioro de la

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

hoja de respuestas con arrugas o dobleces que impidan la correcta lectura en la máquina. 4-Otro tipo de errores que impidieran la correcta lectura. Anexar evidencia del proceso realizado.

Respuesta: El Icfes cuenta con un protocolo para la lectura de las hojas de respuesta, el cual se implementó en la prueba para el concurso de patrulleros, de acuerdo con lo siguiente:

a) Lectura de las hojas de respuestas de preguntas cerradas:

El flujo secuencial de actividades que debe realizar el contratista de impresión en el proceso de lectura de hojas de respuestas de preguntas cerradas es el siguiente:

Aprobación del parámetro de precisión de lecturabilidad de las máquinas:

- El operador de lectura realiza la calibración de las máquinas lectoras posterior a la entrega del material de examen en la planta del operador. Para esto, el operador de impresión envía al Icfes una muestra de las hojas de respuestas de validación con códigos de barras y códigos QR; las cantidades requeridas para la calibración son informadas por el Icfes. Estas hojas son leídas en las máquinas con el software establecido, en el sitio y en las condiciones medio ambientales donde se va a realizar la lectura.
- El operador de lectura realiza la lectura de las hojas de respuestas de validación en cada una de las máquinas a utilizar, el parámetro mínimo de precisión de lectura aceptado es del 99.9%.
- El Icfes remite el resultado de la validación al operador, si el resultado de la lectura de las hojas de respuestas de validación no cumple con el parámetro mínimo de precisión, el contratista deberá realizar los ajustes necesarios y remitir de nuevo la lectura para una nueva validación; una vez aprobado el parámetro de precisión de lectura, el operador podrá realizar la lectura de las hojas de respuestas correspondiente a la prueba.

b) Verificación de inconsistencias de hojas de respuestas de preguntas cerradas

Durante la lectura de hojas de respuestas de preguntas cerradas el operador implementa un proceso de control de calidad, revisando la información capturada por el sistema de lectura mediante el proceso de validación definido por el Icfes y, posteriormente, genera un reporte de inconsistencias de lectura de la prueba, clasificadas por tipología y demás especificaciones para ser remitido al Icfes. Para el procedimiento de las inconsistencias encontradas el operador deberá tener en cuenta lo siguiente:

- Comparar la información del archivo de lectura y determinar si se encuentra alguna tipología de inconsistencia de acuerdo con lo definido.
- Comparar la información de las hojas de respuestas leídas con la biblia de material de examen, para identificar si se encuentran faltantes o inconsistencias en la sección “inconsistencia de lectura”.
- Validar la información del consolidado de informes de delegados entregado por el Icfes, junto con los registros de asistencia e identificación, los cuales servirán de insumo para proceder con la depuración de casos especiales y con la construcción del archivo de cambios sobre el string (la cadena de respuestas) correspondientes a la primera y segunda sesión.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- Realizar un reporte de las inconsistencias y del tratamiento que se hizo a cada una de las hojas de respuestas.
- Generar el archivo de cambios sobre el string donde se registre la información de los cambios de material de examen presentados durante la aplicación, de acuerdo con la estructura definida por el Icfes.

c) Inconsistencias de lectura

Las inconsistencias que se pueden presentar en el procedimiento de lectura son verificadas en presencia de un funcionario del Icfes y, al finalizar la verificación, el operador incluye en el informe ejecutivo de lectura detallando los hallazgos y acciones tomadas. Las inconsistencias más frecuentes que se pueden presentar son las siguientes:

- Doble número de registro: se presenta cuando dos hojas de respuestas tienen el mismo número de registro y se repiten en la biblia de material de examen. Para dar solución a esta inconsistencia, se deben ubicar las hojas de respuestas que presenten esta novedad y verificar si los números de registro son los leídos; si uno de los números no coincide se elimina, se corrige y se lee la hoja de respuestas correcta dejando el número que está correcto; si el número está duplicado, se entra a determinar el porqué de esta duplicidad, se deja la hoja que fue utilizada por el examinando y se descarta la hoja de respuestas no utilizada.
- Presente con omisiones: se presenta cuando la lectura de la hoja de respuestas tiene string con omisiones totales y el usuario está presente (el usuario firmó su hoja de respuestas y/o registro de asistencia e identificación). Para esta inconsistencia, se debe ubicar físicamente la hoja de respuestas y el registro de asistencia e identificación para verificar si el usuario firmó los documentos. El string de lectura del usuario, en el campo PRESENCIA debe tomar el valor de “1” (corresponde a presente).
- Ausente con respuestas: se presenta cuando la lectura de la hoja de respuestas tiene string de lectura diferente a omisiones totales y el usuario aparece como ausente (el usuario no firmó la hoja de respuestas ni el registro de asistencia e identificación). Para esta inconsistencia se deben ubicar físicamente la hoja de respuestas y el registro de asistencia e identificación y revisar el consolidado de informes de delegados para comprobar la ausencia o presencia del usuario, para corregir si es necesario. Si es ausente debe reemplazarse el string de lectura del usuario por omisiones en su totalidad. El string de lectura del usuario, en el campo PRESENCIA, debe tomar el valor de “2” (correspondiente a ausente). Si está presente debe mantenerse el string de lectura del usuario en el archivo de lectura y realizar el proceso de lectura como presente.

d) Inconsistencias de cruce

- Lectura sin citación: corresponde a las hojas de respuestas leídas que no tienen registro asociado en la biblia del material de examen. Para esta inconsistencia se debe ubicar la hoja de respuestas y el registro de asistencia e identificación y determinar si el número de registro es inválido, para posteriormente dar manejo dependiendo de la inconsistencia encontrada, según lo definido por el Icfes.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- Citación sin lectura: corresponde a los examinandos que se encuentran en la biblia de material de examen, pero no se encuentra hoja de respuestas leída. Para esta inconsistencia se deben verificar las hojas de respuestas de casos especiales, el registro de asistencia y el consolidado de informes de delegados. En caso de confirmarse la existencia física del material de examen se hace la búsqueda manual para ubicar la hoja de respuestas. En caso de detectar ausencia física del material de examen el contratista deberá notificar al supervisor del contrato para proceder de acuerdo con lo definido por el Icfes.
- Cruce del archivo de lectura final versus el archivo de holguras: el archivo de holguras corresponde a la información del material de examen, personalizado o sin personalizar, que se asigna a examinandos que se vinculan a la prueba después de finalizado el proceso de registro. La inconsistencia se presenta en los casos donde el string de lectura no tiene número de registro asignado. Para esto se deberá realizar cruces de bases de datos para la identificación de los números de registros sin asignación de lectura.

e) Inconsistencia estado 6

- Estado tipo 6: esta inconsistencia se genera cuando el examinando se registra como presente en segunda sesión y ausente en primera sesión de la prueba. Para resolver esta inconsistencia, el operador de lectura debe realizar la verificación física de las hojas de respuestas, el registro de asistencia e identificación y el consolidado de informes de delegados. En caso de confirmarse la ausencia del examinando en primera sesión se deja con estado 6. Si verificada la documentación se confirma que el examinando fue presente en primera y segunda sesión se realiza la lectura de la hoja de respuestas y se modifica el estado del examinando a presente.
- Estado tipo 6 inverso: esta inconsistencia se genera cuando el examinando se registra como ausente en segunda sesión y presente en primera sesión de la prueba. Para resolver esta inconsistencia, el operador de lectura debe realizar la verificación física de las hojas de respuestas, el registro de asistencia e identificación y el consolidado de informes de delegados. En caso de confirmarse la ausencia del examinando en segunda sesión se deja con estado 6. Si verificada la documentación se confirma que el examinando fue presente en primera y segunda sesión se realiza la lectura de la hoja de respuestas y se modifica el estado del examinando a presente."

Ahora bien, una vez aplicado el protocolo para la lectura de las hojas de respuesta descrito anteriormente, y validada su hoja de respuesta se indica que:

- Esta presentó inconsistencias en el momento del cargue de las respuestas al sistema, sin embargo, esto ya fue ajustado y actualizado, de igual forma se adjuntan las imágenes digitalizadas de su hoja de respuesta, de primera y segunda sesión.

Conforme lo anterior, en su caso particular, el Icfes revisó nuevamente los resultados de sus pruebas y encontró que la sumatoria de los componentes evaluados en la prueba psicotécnica y en la prueba de conocimientos policiales que corresponde a su puntaje global fue de **56,45833**, al

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

cual se le suma un puntaje de antigüedad entregado por la Policía Nacional y correspondiente a **28,00000**; por lo que su puntaje total es igual a **84,45833**.

DÉCIMOTERCERA: ¿En qué proceso del Icfes se presentó exactamente la falla de la calificación que llevó al cambio de mis resultados de forma negativa? Especificar nombre del funcionario de ser el caso, nombre y descripción del equipo tecnológico, nombre y descripción del software.

Respuesta: Es relevante mencionar que no hubo ninguna alteración en las respuestas que cada evaluado consignó el día 25 de septiembre en la hoja de respuestas de su examen, se reitera que la falla tecnológica mencionada en la respuesta a la pregunta octava, se da en el proceso de ordenamiento de las respuestas frente al área de conocimiento evaluada (Razonamiento Cuantitativo, Lectura Crítica, Competencias Ciudadana, Acciones y Actitudes y Conocimientos Policiales); es decir, el ajuste se da en el ordenamiento de las respuestas para que estas coincidan con la preguntas realizadas.

A continuación, se describen los procesos que están relacionados con la falla tecnológica que originó el inconveniente, generando la necesidad de actualizar los resultados publicados el día 19 de noviembre y que dan lugar a la publicación del 16 de diciembre:

BASE DE ARMADO PARA PROCESO DE CALIFICACIÓN

Posterior al proceso de aplicación de la prueba, fueron construidos los archivos necesarios para el proceso de calificación. Se realizó la entrega de esta información el día 26 de septiembre de 2022 a la Subdirección de Estadística y a la Subdirección de Información. La entrega de los siguientes archivos se realizó de manera segura encriptando la información, suministrando las contraseñas de apertura de cada uno de estos por un medio seguro para minimizar los riesgos de integridad de información:

- D. Un archivo de Excel denominado **"1. PATRULLEROS_TEC_2022_2.xls"** que cuenta con 3 pestañas:
- PATRULLEROS_2022_2 1
 - PATRULLEROS_2022_2 2
 - PATRULLEROS_2022_2 3
- E. Un archivo de Excel denominado **"3. ITEMS_PRISMA_PATRULLEROS_2022_2.xls"** que cuenta con 2 pestañas:
- SABER_PATRULLEROS_2022_2 1
 - Diccionario

Este archivo es una ficha que se requiere para confirmar que todos los ítems que se disponen para el proceso de calificación estén creados en la plataforma institucional Prisma.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- F. Un archivo de Excel denominado **"4. ESQUEMA_DE_VALORES_PATRULLEROS_2022_2.xls"** que cuenta con 2 pestañas:
- Esquema de valores
 - Ítem

Este es un archivo es una ficha que contiene la estructura de los esquemas de valor que tiene cada uno de los ítems.

Los archivos requeridos para el montaje de las bases del proceso de calificación son creados a partir de cada una de las fichas técnicas entregadas por la Subdirección de Diseño de Instrumentos, la información que debe ser cargada a la ficha 1. PATRULLEROS_TEC_2022_2 y 2. SABANA_PATRULLEROS_2022_2, por parte de la Subdirección de Producción de Instrumentos es la siguiente:

- Clave (respuesta acertada o correcta) de cada ítem.
- Código Prisma que contiene la taxonomía de cada uno de los ítems.
- Posición final de los ítems dentro de los bloques, que se determina por la diagramación de la información.

Toda la información construida para el proceso de calificación se realizó dentro de la zona segura de Banco de Pruebas e Ítems, siguiendo todos los protocolos de seguridad establecidos.

La ficha que se cargó al sistema de información ANALITEM-INTERACTIVO contiene tres pestañas que se construye de la siguiente manera:

- La primera contiene el código de prueba, el nombre de la prueba, el código de la forma, el nombre de la forma, la sesión que corresponde a cada uno de los cuadernillos, el nombre de los cuadernillos, la cantidad de ítems y el orden de las pruebas dentro de los cuadernillos, conforme a la Ficha Técnica de los Instrumentos y en el archivo de Estructura del Examen.
- La segunda, contiene la información de los ítems del examen, la variable que relaciona los nombres de las pruebas y la forma, así como los ítems asignados para cada forma en el orden establecido desde la diagramación de los bloques e indicando el orden dentro de cada forma, la identificación de la sesión de la forma, los id de los componentes y competencias, además la variable que identifica los ítems de bloques (lo que se denomina ES_EQUATING), el bloque al que pertenece el ítem y el orden dentro de este, adicional, debe contar con el nombre del SubBloque y el orden SubBloque dentro de cada forma, al igual que la variable del código prisma.
- La tercera, contiene el código del ítem, la clave y la cantidad de opciones de respuesta que tiene cada ítem.

Estas fichas se entregaron a la Subdirección de Información y a la Subdirección de Estadística siguiendo los protocolos de seguridad establecidos en el Banco de Pruebas e Ítems; mediante acta "CIE -FT013 - ACTA DE ACCESO O ENTREGA DE INFORMACIÓN BAJO CUSTO DEL BANCO DE PRUEBAS E ÍTEMS", que incluye como mínimo: a) motivo que justifica la entrega de información, que en este caso se trata del cumplimiento del procedimiento o fechas establecidas

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

en el cronograma institucional para el cumplimiento de compromisos de la Subdirección de Producción de Instrumentos, b) persona a quien se entrega la información, c) descripción de la información autorizada, d) fecha de entrega, e) aceptación de condiciones de acceso a la información, f) observaciones, g) firma del acta por parte de la persona del Banco de Pruebas e ítems y la persona que recibe la información.

En el caso de la información correspondiente a la prueba Psicotécnica y de Conocimientos Policiales para el concurso de Patrulleros, previo al curso de capacitación para ingreso al grado de subintendente 2022, la ficha 1. PATRULLEROS_TEC_2022_2 fue remitida con la estructura dispuesta en el orden de entrega, ordenada respecto a las variables “CODIGO_PRUEBA_BASE” y “LETRA_CUADERNILLO”.

Una vez entregado y compartido el archivo en Excel cifrado con contraseña por parte de la Subdirección de Producción de Instrumentos a la Subdirección de Información, ésta procedió con el cargue de los datos a la base de datos de la plataforma Interactivo de acuerdo con el documento técnico que se tiene, realizando sin ninguna alerta o error los siguientes pasos:

Paso 1 – Agregar el ID del Examen al contenido del Armado.

Desde la base de datos del sistema PRISMA se tomó el id interno del examen correspondiente a la ficha de armado de la prueba, requisito necesario para el cargue e la información al módulo de calificación, el cual se agregó a la primera columna de la hoja 1 del archivo Excel de la ficha de armado, como se muestra en la celda resaltada de la siguiente imagen de ejemplo:

A	B	C	D	E	F	G	H
ID EXAMEN	CODIGO_PRUEBA_BASE	NOMBRE_PRUEBA_BASE	CODIGO_FORMA	NOMBRE_FORMA	SESION	LETRA_CUADERNILLO	CANTIDAD_ITEMS
1010		RAZONAMIENTO CUANTITATIVO			1		30
1010		LECTURA CRITICA			1		30
1010		COMPETENCIAS CIUDADANAS			1		30
1010		ACCIONES Y ACTITUDES			1		60

Paso 2 - Exportar las hojas de archivo de armado a archivos con formatos texto plano:

Para realizar el cargue del contenido del archivo de armado, se exportó de forma adecuada el contenido de las tres hojas del Excel a formato T *separado por tabulación*, sin la primera fila de encabezados de cada hoja.

Paso 3 – Configuración inicial aplicativo soporte calificación.

Para realizar la configuración de la prueba en el aplicativo ANALITEM-INTERACTIVO, que soporta parte del proceso de calificación, se cargó el contenido de la hoja 1 a la tabla de configuración en la base de datos y se realizaron las siguientes validaciones y configuraciones:

- Verificar el examen y aplicación.
- Creación de variables locales de los datos.
- Verificar las pruebas asociadas al examen.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- Verificar combinatorias faltantes.
- Verificar y ajustar prearmado o ficha técnica.
- Crear las diferentes configuraciones de formas por prueba.
- Crear las diferentes configuraciones de formas por combinatoria.
- Crear las diferentes configuraciones de examen y aplicación en el esquema de ANALITEM-INTERACTIVO.

Este paso es un requisito obligatorio para el cargue del contenido de las tres hojas del archivo de armado en formato txt del siguiente paso.

Paso 4 – Cargue de archivos txt a base de datos ANALITEM-INTERACTIVO:

Usando la aplicación de ANALITEM-INTERACTIVO, en las funcionalidades de cargue de armado, se realizó el cargue de los archivos txt exportados en el paso No 2 correspondientes a las tres hojas del archivo de armado.

Para el proceso de cargue de los archivos txt se tienen las siguientes indicaciones para cada caso:

- Seleccionar la opción **“Listado de formas de una aplicación”** de la lista desplegable y ubicar el archivo plano de la **hoja 1**. Dar clic en el botón **“Guardar”**. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo **“Tipo de archivo”**.
- Seleccionar la opción **“Items por prueba en una aplicación”** de la lista desplegable y ubicar el archivo plano de la **hoja 2**. Dar clic en el botón **“Guardar”**. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo **“Tipo de archivo”**.
- Seleccionar la opción **“Listado de ítems de una aplicación”** de la lista desplegable y ubicar el archivo plano de la **hoja 3**. Dar clic en el botón **“Guardar”**. Al cargar la información se limpia la selección de la lista desplegable y el valor del campo **“Tipo de archivo”**.

Posterior al cargue, se revisó a nivel de la base de datos por medio de los programas estandarizados que los datos del armado estuvieran cargados de forma consistente.

Paso 5 – Configuración y verificación final de armado en ANALITEM-INTERACTIVO:

Luego de terminar el cargue del armado, se ejecutaron los programas estandarizados (desde el No.0052 al 0094) para realizar las siguientes actividades y procesos:

- Crear de variables locales de los datos.
- Verificar que no existan ítems sin formas asociadas.
- Verificar que las formas del archivo cargado estén creadas en .
- Verificar que el número de formas cargado corresponda al total de formas del Armado.
- Consultar que toda la información de la hoja 1 se haya cargado.
- Consultar formas faltantes por crear en y que vienen en el Armado.
- Consultar formas que vienen en el Armado y que no están creadas.
- Agregar información de pruebas en ANALITEM del examen.
- Verificar que el total de formas creadas corresponda al total de pruebas.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- Consultar y reportar formas que no se crearon en ANALITEM.
- Agregar información de la hoja 1 a ANALITEM.
- Consultar el total de registros creados en ANALITEM.HISTORICOPRUEBACOMBINATORIA para que coincida con los de la hoja 1.
- Agregar información de Pruebas base.
- Agregar información de ítems y distractores normales de la aplicación
- Verificar que el total de distractores creados corresponda
- Agregar componentes de las pruebas para la aplicación.
- Agregar información de relación de ítems por prueba de la aplicación.
- Verificar que el total de ítems por prueba corresponda al total de registros de la hoja 2.
- Consultar que ítems prueba que no existe en ANALITEM-INTERACTIVO.
- Encontrar en cuáles ítems no coincide la clave con el distractor marcado como clave (no tiene un distractor marcado).
- Habilitar aplicación en el módulo de ANALITEM-INTERACTIVO.

La Subdirección de Información a través de correo electrónico el día 28 de septiembre de 2022 confirmó que *“Se realizó el cargue del armado de Patrulleros 2022-2 en el módulo de ANALITEM de acuerdo a la ficha entregada y/o Armado entregado desde la Dirección de Producción y Operaciones.”*. Así mismo, la Subdirección de Información a través de correo electrónico el día 05 de octubre de 2022, confirmó que *“Se realizó el cargue del armado de Patrulleros 2022-2 en el módulo de MISIONAL de acuerdo a la ficha entregada y/o Armado entregado desde la Dirección de Producción y Operaciones.”*. Es importante mencionar que los dos sistemas de información permitieron el cargue y procesamiento de los datos sin ninguna alerta reportada.

Lo anterior, teniendo en cuenta que históricamente en los procesos de cargue de la información que contiene el armado de la prueba, en caso de presentarse inconvenientes relacionados con el contenido de las fichas requeridas por el sistema de información ANALITEM-INTERACTIVO, el sistema determina que se está presentando algún inconveniente y no permite el procesamiento de los datos; cualquier tipo de alerta es notificada a través de correo electrónico por la Subdirección de Información y se realizan las revisiones y los ajustes necesarios para solventar los inconvenientes. Específicamente para esta prueba, no se tuvo ninguna alerta por parte de la Subdirección de Información sobre el cargue de la información contenida en la ficha 1. PATRULLEROS_TEC_2022_2.

PROCESAMIENTO Y CALIFICACIÓN

A continuación, se realiza la descripción general de la etapa “procesamiento y calificación” de las pruebas para el concurso de Patrulleros, previo al curso de capacitación para el ingreso al grado de Subintendente:

Descarga por medio del módulo de ANALITEM-INTERACTIVO

El primer paso en el proceso de procesamiento y calificación consistió en la descarga de las cadenas de respuestas por medio del módulo de ANALITEM-INTERACTIVO. Este módulo

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

almacena en un esquema de base de datos las cadenas de respuestas de los evaluados y la información de la estructura de los cuadernillos. Cabe anotar que en el procesamiento y calificación la identidad de los evaluados no es conocida por ninguna de las personas involucradas en este proceso. Una aplicación web presenta la interfaz gráfica mediante la cual se realizó la descarga de un archivo en formato zip, dentro de este reposa una carpeta por cada una de las formas aplicadas. Dentro de cada carpeta se encuentran varios archivos, uno de ellos contiene las respuestas de cada uno de los evaluados para la forma (cuadernillo por prueba); otro contiene las claves, es decir, respuesta correcta para cada una de las preguntas que conforman la forma. Actualmente, y por proceso oficial en nuestro sistema de aseguramiento de calidad, este módulo es la herramienta oficial para hacer la descarga de los datos requeridos.

Análisis de Ítem

Una vez se realizó la descarga de las respuestas para cada evaluado, se procedió a implementar el proceso de análisis de ítem empleado por la Subdirección de Estadísticas. El análisis de ítem centra su mirada en el ítem o pregunta para cada una de las pruebas de Razonamiento Cuantitativo, Lectura Crítica, Competencias Ciudadanas, Acciones y Actitudes y Conocimientos Policiales. Se entiende por análisis de ítems el estudio de aquellas propiedades de los ítems que están directamente relacionadas con las propiedades de la prueba.

Desde la Teoría Clásica del Test (en adelante, TCT) es posible hacer un análisis de ítems teniendo en cuenta la dificultad de estos. La dificultad de la pregunta es entendida como 1 menos la proporción de personas que contestaron correctamente el ítem. Por ejemplo, en una prueba con 100 evaluados y para un ítem cualquiera a , si el número de personas que contestan correctamente es igual a 70 entonces la dificultad del ítem será:

$$\begin{aligned} \text{dificultad}(a) &= \left[1 - \frac{C(a)}{N} \right] \times 100 \\ &= \left[1 - \frac{70}{100} \right] \times 100 \\ &= (1 - 0.7) \times 100 \\ &= 30 \end{aligned}$$

Donde $C(a)$ es el número de personas que contestaron correctamente el ítem a , y N es el total de personas que abordaron el ítem. Dicho parámetro toma valores entre 0 y 1, así que para hacer más fácil su interpretación se multiplica por 100 y de esta forma el rango queda entre 0 y 100. El valor del parámetro se puede interpretar como el porcentaje de personas que no pudieron contestar el ítem de forma correcta, que en el caso del ejemplo toma el valor de 30.

Posterior al procesamiento se realizaron las reuniones con el equipo de gestores (expertos de pruebas) de la Subdirección de Diseño de Instrumentos para revisar desde el punto de vista cualitativo el contenido de las preguntas y validar el comportamiento psicométrico de los ítems. Los resultados de estas reuniones se presentan en el comité de análisis de ítem, el cual está encabezado por los equipos asignados de la Subdirección de Diseño de Instrumentos y

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

Subdirección de Estadísticas, junto con los subdirectores de estas dos áreas y la directora de Evaluación.

Metodología de calificación

Seguido de la presentación de los resultados en el comité, se procedió a la asignación de puntaje para cada uno de los evaluados. La metodología de calificación utilizada por la Subdirección de Estadísticas es la puntuación directa teniendo en cuenta la Teoría Clásica del Test (TCT), la cual consiste en asignar una valoración numérica de acuerdo con las respuestas correctas marcadas por el evaluado durante su prueba de conocimientos policiales y las cuatro pruebas psicotécnicas (razonamiento cuantitativo, lectura crítica, competencias ciudadanas). Para la calificación de la prueba de acciones y actitudes se toma la valoración numérica y teniendo en cuenta el sentido del ítem (frecuencia directa, frecuencia inversa, acuerdo directo, y acuerdo inverso) se asigna el puntaje.

Una vez se obtuvieron las valoraciones numéricas o la suma de aciertos según corresponda, estas se dividieron por el máximo puntaje que podría alcanzar el evaluado. Finalmente, se multiplica por 100 para llevar el resultado a la escala de 0 a 100 puntos, empleada por el Icfes y acordada con la Policía Nacional para el Concurso Extraordinario de Patrulleros previo al curso de capacitación para el ingreso al grado de Subintendente 2022. Hasta este momento, la información relacionada con la identidad del evaluado es completamente anonimizada.

Dichos puntajes se ponderaron de acuerdo con la asignación de pesos establecida en la guía de orientación para conformar el puntaje global. Posteriormente, y con base en la suma del puntaje global y el puntaje de antigüedad, se estimó el puntaje total, del cual ordenado en forma descendente y redondeado a 5 decimales, se estimó el ranking u orden de la clasificación.

Validaciones sobre proceso de calificación

Se implementaron diferentes puntos de control definidos dentro de la Subdirección de Estadísticas para garantizar la calidad de sus entregables que se mencionan a continuación:

- Inicialmente se indica que todo el procesamiento se encuentra parametrizado en lenguajes de programación estandarizados y replicables del software estadístico R. Un punto de control inicial consiste en el desarrollo de los procesos de análisis de ítem anteriormente mencionados, este proceso se ejecuta de forma independiente por al menos dos (2) expertos, a fin de descartar diferencias en los distintos procesamientos. Los resultados obtenidos son analizados por estadísticos, psicómetras y por los gestores (especialistas de cada prueba) y son sometidos a análisis en diferentes comités.
- Adicionalmente, se realiza un análisis de los patrones de respuesta proporcionados por los evaluados que presentaron el examen para las cinco pruebas. Los registros identificados en este procedimiento se remiten a Dirección de Producción de Operaciones para verificación de lectura. Posteriormente, se recibe el visto bueno para continuar con la calificación.

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

- En la siguiente etapa, al igual que con el análisis de ítems, el procesamiento de la calificación es realizado por, al menos, dos personas de manera independiente y posteriormente los resultados son comparados en una doble validación, de tal manera que se garantice coincidencia del 100% en cada uno de los puntajes para cada evaluado en cada área. Es importante precisar que si se encuentra alguna diferencia en el proceso se vuelve a ejecutar desde el principio para descartar cualquier inconsistencia. Sobre los resultados obtenidos se realizan análisis estadísticos univariados para las distribuciones de los resultados con el fin de detectar comportamientos de calificaciones anómalos en cada una de las pruebas aplicadas.
- Sobre las calificaciones consolidadas y sobre el ordenamiento final incluyendo el puntaje de antigüedad se realizan validaciones manuales sobre una muestra de registros y, adicionalmente, se verifican estos valores sobre el PDF que se va a publicar. Se observa la consistencia en los resultados en términos del número de decimales, resultados finales dadas las ponderaciones de las pruebas y la consistencia del ordenamiento.

Proceso de resultados y primera publicación

Surtidas las validaciones sobre el proceso de calificación se procedió a remitir el archivo con los resultados de la calificación a la Subdirección de Información, acorde a las especificaciones previas respecto al formato de entrega y número de decimales. El archivo con los 41.599 registros con su respectivo puntaje se publicó en la página web del Icfes desde el 19 de noviembre de 2022.

Atención a reclamaciones

Efectuada la publicación de los resultados, procede el periodo de reclamaciones establecido entre el 21 al 25 de noviembre de 2022 dentro del cual se recibieron 148. En particular, para esta calificación dentro del proceso de atención a reclamaciones, se identificaron algunos casos con puntajes atípicos, razón por la cual se procedió a analizar y comparar las cadenas de respuesta de la lectura con las descargadas desde el módulo ANALITEM-INTERACTIVO identificando diferencias en su contenido.

Con base en lo anterior, se revisaron las tablas que contienen la información del módulo de ANALITEM-INTERACTIVO y se encontró que el campo donde se almacena el orden de las pruebas dentro del cuadernillo presentaba inconsistencias y provocó que el módulo generara de manera incorrecta las cadenas de respuestas para la calificación. De forma inmediata, se logró identificar que la causa de la inconsistencia ocurrió en el procedimiento, en el cual se estructura la *base de armado para proceso de calificación*, específicamente en el archivo 1. PATRULLEROS_TEC_2022_2.xls

DÉCIMOCUARTA: ¿Cuáles serán las medidas a tomar en adelante para evitar que se presenten estos nuevos sucesos en futuros exámenes?

Respuesta: se implementaron controles adicionales a los ya establecidos, que garantizarán aún más la integridad de los insumos necesarios para el inicio de cada proceso de calificación y controles en las salidas de producto de cada área; adicionalmente, se establecieron

202210150347

Fecha Radicado: 2022-12-26 15:00:07.623

controles que permiten realizar una validación cruzada de salidas y entradas de las bases de datos, contra las respuestas de cada evaluado antes de iniciar los procesos de calificación. Es importante mencionar, que los nuevos controles se incluirán en las matrices de riesgos de cada procedimiento, con el fin de permitir el debido seguimiento a los mismos.

Adicionalmente, se revisaron las alertas que el sistema que recibe las fichas de armado emite cuando se presenta una falta de integridad en las bases de información, esto seguirá fortaleciendo los controles automáticos ya establecidos en los diferentes sistemas de procesamiento.

DECIMAQUINTA: habida cuenta que el concurso para acceder al curso para ascenso al grado de subintendente corresponde a una evaluación de meritocracia para ascender en la carrera administrativa policial, solicito que se me entregue copia de mi examen y sus resultados al correo electrónico aquí autorizado, con el fin de consolidar y materializar el debido proceso, las calificaciones de exámenes de Estado justas, el derecho de acceso a la justicia y el derecho de acceso a la información pública y personal.

Respuesta: Por último, nos permitimos reiterar que se presentó una falla técnica generalizada que implicó una actualización de los resultados, la cual fue informada de manera detallada en la presente respuesta, que no afectó la aplicación, ni las respuestas de cada evaluado, solo la calificación y orden de las mismas. Sobre lo anterior, y con lo explicado, existen procesos y documentos que dan cuenta de la transparencia de este proceso. Para dar una mayor transparencia a este proceso se enviará la información solicitada (la copia de la hoja de respuestas y la ficha de respuestas correctas asociadas, así como la explicación de uso). Lo anterior, con el fin de que el usuario pueda realizar las verificaciones de su puntaje correspondientes.

Atentamente,

Instituto Colombiano para la Evaluación de la Educación – Icfes Operador Concurso de Patrulleros previo al curso de capacitación para el ingreso al grado de Subintendente 2022.

Noviembre 19 de 2022

COMUNICADO

La Dirección General de la Policía Nacional se permite informar:

1. El día de hoy el Instituto Colombiano para la Evaluación de la Educación (ICFES), entidad encargada de las pruebas del concurso previo al ingreso al grado de subintendente, realizado por 40.859 patrulleros el mes de septiembre, publicó los resultados de este proceso, como uno de los requisitos para ascender a este grado dentro del escalafón que les permitirá ser mandos del Nivel Ejecutivo.
2. El único canal oficial de publicación de los resultados es a través de la página web www.icfes.gov.co. Ningun otro medio de mensajería instantánea o correo electrónico será empleado para la correspondiente notificación por parte del concursante.
3. En este sentido, de acuerdo con los resultados y la partida presupuestal designada por el Gobierno nacional, con base en la solicitud del director general de la Policía Nacional a través del Ministerio de Hacienda, fueron autorizados 10.000 cupos para los patrulleros que aprobaron estas pruebas de acuerdo a su puntaje, en cumplimiento del parágrafo 4 del artículo 21 del decreto 1791 de 2000.
4. Esta decisión reitera la voluntad del Gobierno y la Policía Nacional de fortalecer su talento humano, la profesionalización, el bienestar del policía y de las 10.000 familias beneficiadas de estos uniformados, que iniciarán el curso de ascenso al grado de subintendente, lo que les permitirá continuar avanzando en su carrera y escalando hasta los grados superiores, en cumplimiento a la política de seguridad humana.

'DIOS Y PATRIA ES UN HONOR SER POLICÍA'

Diciembre 16 de 2022

COMUNICADO

La Dirección General de la Policía Nacional se permite informar:

1. El 14 de diciembre de 2022 el Instituto Colombiano para la Evaluación de la Educación (ICFES), contratado para el desarrollo de las pruebas del concurso previo al curso de subintendente del personal de patrulleros, informó a la Policía Nacional que los resultados publicados el 19 de noviembre de 2022 por esa entidad deben ser actualizados, en virtud de que los mismos presentaron una falla técnica al momento de generar el ordenamiento de datos.
2. Conocida la novedad, la Dirección de Talento Humano de la Policía Nacional adelantó una reunión de carácter urgente con el ICFES a fin de verificar los pormenores de la falla en los resultados publicados y las implicaciones para el personal que presentó la prueba.
3. Por lo tanto, luego de las acciones adelantadas por el ICFES para subsanar esta falla técnica, la entidad indicó que en el transcurso de hoy 16 de diciembre de 2022 se publicarán los resultados actualizados en la página oficial www.icfes.gov.co.
4. La Policía Nacional de Colombia estará atenta de que este proceso cumpla los requisitos exigidos al ICFES, de manera que los resultados publicados sean los correctos y obedezcan a los principios de celeridad, imparcialidad y publicidad.

Igualmente, se solicita al ICFES, que se atiendan de manera oportuna las reclamaciones, peticiones, requerimientos y quejas del personal uniformado que participó en el concurso en relación con la publicación de los resultados, de acuerdo al cronograma establecido.
